

Important Legal Information Annual Notices

If you (and/or your dependents) have Medicare or will become eligible for Medicare in the next 12 months, a federal law gives you more choices about your prescription drug coverage.

Please see page 22 for more details.

*Only one of the notices contained in this booklet is specific to Medicare prescription drug coverage.

The following policy and legal notices are included:

| | |
|-----------------------------------------------------------------------------------------------------------|----|
| Availability of Summary Health Information | 3 |
| Medicaid and the Children's Health Insurance Program (CHIP) | 4 |
| Notice of Privacy Practices for the tronc, Inc. Health Plans | 8 |
| Notice of Special Enrollment Rights under the Health Insurance Portability and Accountability Act (HIPAA) | 14 |
| Patient Protection Disclosures | 15 |
| Women's Health and Cancer Rights Act Notice | 15 |
| Newborns' and Mothers' Health Protection Act | 16 |
| Health Insurance Marketplace | 16 |
| Continuation Coverage Rights Under COBRA | 17 |
| Important Notice from tronc, Inc. About Your Prescription Drug Coverage and Medicare | 22 |

Availability of Summary Health Information

As an employee, the health benefits available to you represent a significant component of your compensation package. They also provide important protection for you and your family in the case of illness or injury.

Your plan offers a series of health coverage options. Choosing a health coverage option is an important decision. To help you make an informed choice, your plan makes available a Summary of Benefits and Coverage (SBC), which summarizes important information about any health coverage option in a standard format, to help you compare across options.

The SBC is available on the tronc, Inc. website at www.troncbenefits.com. A paper copy is also available, free of charge, by calling (844)54-tronc. You should share the information provided in the SBC with your family members who live with you and are eligible for tronc, Inc. health coverage. If an eligible family member resides at a different address of which the plan is made aware, he or she will be separately provided with a copy of the SBC.

Premium Assistance Under Medicaid and the Children’s Health Insurance Program (CHIP)

If you or your children are eligible for Medicaid or CHIP and you’re eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren’t eligible for Medicaid or CHIP, you won’t be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit www.healthcare.gov.

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed below, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial **1-877-KIDS NOW** or www.insurekidsnow.gov to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren’t already enrolled. This is called a “special enrollment” opportunity, and **you must request coverage within 60 days of being determined eligible for premium assistance**. If you have questions about enrolling in your employer plan, contact the Department of Labor at www.askebsa.dol.gov or call **1-866-444-EBSA (3272)**.

If you live in one of the following states, you may be eligible for assistance paying your employer health plan premiums. The following list of states is current as of August 10, 2017. Contact your State for more information on eligibility –

HIPAA Notice of Privacy Practices

THIS NOTICE DESCRIBES HOW HEALTH INFORMATION ABOUT YOU MAY BE USED AND DISCLOSED AND HOW YOU CAN GET ACCESS TO THIS INFORMATION. PLEASE REVIEW IT CAREFULLY.

tronc, Inc. Plan Notice of Privacy Practices

Date: October 4, 2017

Under the Health Insurance Portability and Accountability Act of 1996 (“HIPAA”), you have certain rights with respect to your Protected Health Information (“PHI”), including the right to know how your PHI may be used by a group health plan.

This Notice of Privacy Practices (“Notice”) covers the following group plans (collectively referred to as the “Plan”):

- Medical
- Dental
- Vision

The Plan is required by law to maintain the privacy of your PHI and to provide this Notice to you pursuant to HIPAA. This Notice describes how your PHI may be used or disclosed to carry out treatment, payment, health care operations, or for any other purposes that are permitted or required by law. This Notice also provides you with the following important information:

- Your privacy rights with respect to your PHI;
- The Plan’s duties with respect to your PHI;
- Your right to file a complaint with the Plan’s Privacy Officer and/or to the Secretary of the Office of Civil Rights of the U.S. Department of Health and Human Services; and
- The person or office to contact for further information about the Plan’s privacy practices.

PHI is health information (including genetic information) in any form (oral, written, electronic) that:

- Is created or received by or on behalf of the Plan;
- Relates to your past, present or future physical or mental condition, or the provision of health care services to you, or the payment for those health care services; and
- Identifies you or from which there is a reasonable basis to believe the information can be used to identify you.

Health information your employer receives during the course of performing non-Plan functions is not PHI. For example, health information you submit to your employer to document a leave of absence under the Family and Medical Leave Act is not PHI.

Section 1. USES AND DISCLOSURES OF YOUR PHI

Under HIPAA, the Plan may use or disclose your PHI under certain circumstances without your consent, authorization or opportunity to agree or object. Such uses and disclosures fall within the categories described below. Note that not every permissible use or disclosure in a category is listed; however, all the ways in which the Plan is permitted to use or disclose PHI will fall within one of the categories.

General Uses and Disclosures

Treatment. The Plan may use and/or disclose your PHI to help you obtain treatment and/or services from providers. Treatment includes the provision, coordination or management of health care and related services. It also includes, but is not limited to, consultations and referrals between one or more of your providers. For example, the Plan may disclose to a treating orthodontist the name of your treating dentist so that the orthodontist may ask for your dental x-rays from the treating dentist. The Plan may also disclose information about your prior prescriptions to a pharmacist to determine if any medicines contraindicate a pending prescription.

Payment. The Plan may use and/or disclose your PHI in order to determine your eligibility for benefits, to facilitate payment of your health claims and to determine benefit responsibility. Payment includes, but is not limited to billing, claims management, subrogation, plan reimbursement, reviews for medical necessity and appropriateness of care and utilization review and preauthorizations. For example, the Plan may tell a doctor whether you are eligible for coverage or what percentage of the bill will be paid by the Plan. The Plan may also disclose your PHI to another entity to assist with the adjudication or subrogation of health claims or to another health plan to coordinate payment of benefits.

Health Care Operations. The Plan may use and/or disclose your PHI for other Plan operations. These uses and disclosures are necessary to run the Plan and include, but are not limited to, conducting quality assessment and improvement activities, reviewing competence or qualifications of health care professionals, underwriting, premium and other activities relating to Plan coverage. It also includes cost management, conducting or arranging for medical review, legal services and auditing functions including fraud and abuse compliance programs, business planning and development, business management and general Plan administrative activities. For example, the Plan may use your PHI in connection with submitting claims for stop-loss coverage. The Plan may also use your PHI to refer you to a disease management program, project future costs or audit the accuracy of its claims processing functions.

However, the Plan is prohibited from using or disclosing PHI that is an individual's genetic information for underwriting purposes.

Business Associates. The Plan may contract with individuals or entities known as Business Associates to perform various functions on the Plan's behalf or to provide certain types of services. In order to perform these functions or to provide such services, the Business Associates will receive, create, maintain, use and/or disclose your PHI. For example, the Plan may disclose your PHI to a Business Associate to administer claims or provide pharmacy benefit management services. However, Business Associates will receive, create, maintain, use and/or disclose your PHI on behalf of the Plan only after they have entered into a Business Associate agreement with the Plan and agree in writing to protect your PHI against inappropriate use or disclosure and to require that their subcontractors and agents do the same.

Plan Sponsor. For purposes of administering the Plan, the Plan may disclose your PHI to certain employees of tronc, Inc. However, these employees will only use or disclose such information as necessary to perform administration functions for the Plan or as otherwise required by HIPAA, unless you have authorized further disclosures. Your PHI cannot be used for employment purposes without your specific authorization.

Required By Law. The Plan may disclose your PHI when required to do so by federal, state or local law. For example, the Plan may disclose your PHI when required by public health disclosure laws.

Health or Safety. The Plan may disclose and/or use your PHI when necessary to prevent a serious threat to your health or safety or the health or safety of another individual or the public. Under these circumstances, any disclosure will be made only to the person or entity able to help prevent the threat.

Special Situations

In addition to the above, the following categories describe other possible ways that the Plan may use and disclose your PHI without your consent, authorization or opportunity to agree or object. Note that not every permissible use or disclosure in a category is listed; however, all the ways in which the Plan is permitted to use or disclose PHI will fall within one of the categories.

Public Health Activities. The Plan may disclose your PHI when permitted for purposes of public health actions, including when necessary to report child abuse or neglect or domestic violence, to report reactions to drugs or problems with products or devices, and to notify individuals about a product recall. Your PHI may also be used or disclosed if you have been exposed to a communicable disease or are at risk of spreading a disease or condition.

Health Oversight. The Plan may disclose your PHI to a public health oversight agency for oversight activities authorized by law. Oversight activities can include civil, administrative or criminal actions, audits and inspections, licensure or disciplinary actions (for example, to investigate complaints against providers); other activities necessary for appropriate oversight of government benefit programs (for example, to investigate Medicare or Medicaid fraud); compliance with civil rights laws and the health care system in general.

Lawsuits, Judicial and Administrative Proceedings. If you are involved in a lawsuit or similar proceeding, the Plan may disclose your PHI in response to a court or administrative order. The Plan may also disclose your PHI in response to a subpoena, discovery request or other lawful process by another individual involved in the dispute, provided certain conditions are met. One of these conditions is that satisfactory assurances must be given to the Plan that the requesting party has made a good faith attempt to provide written notice to you, and the notice provided sufficient information about the proceeding to permit you to raise an objection and no objections were raised or were resolved in favor of disclosure by the court or tribunal.

Law Enforcement. The Plan may disclose your PHI when required for law enforcement purposes, including for the purposes of identifying or locating a suspect, fugitive, material witness or missing person.

Coroners, Medical Examiners and Funeral Directors. The Plan may disclose your PHI when required to be given to a coroner or medical examiner for the purpose of identifying a deceased person, determining a cause of death or other duties as authorized by law. Also, disclosure is permitted to funeral directors, consistent with applicable law, as necessary to carry out their duties with respect to the decedent.

Workers' Compensation. The Plan may release your PHI for workers' compensation or similar programs that provide benefits for work-related injuries or illness.

National Security and Intelligence. The Plan may release PHI to authorized federal officials for intelligence, counterintelligence, and other national security activities authorized by law.

Military and Veterans. If you are a member of the armed forces, the Plan may disclose your PHI as required by military command authorities. The Plan may also release PHI about foreign military personnel to the appropriate foreign military authority.

Organ and Tissue Donations. If you are an organ donor, the Plan may disclose your PHI to organizations that handle organ procurement or organ, eye or tissue transplantation or to an organ donation bank, as necessary to facilitate organ or tissue donation and transplantation.

Research. The Plan may disclose your PHI for research when the individual identifiers have been removed or when the institutional review board or privacy board has reviewed the research proposal and established protocols to ensure the privacy of the requested information, and approves the research.

Required Disclosure to Secretary

The Plan is required to disclose your PHI to the Secretary of the U.S. Department of Health and Human Services when the Secretary is investigating or determining the Plan's compliance with HIPAA.

Disclosures to Family Members and Personal Representatives

The Plan may disclose your PHI to family members, other relatives and your close personal friends but only to the extent that it is directly relevant to such individual's involvement with a coverage, eligibility or payment matter relating to your care, unless you have requested and the Plan has agreed not to disclose your PHI to such individual. The Plan will disclose your PHI to an individual authorized by you, or to an individual designated as your personal representative, provided the Plan has received the appropriate authorization and/or supporting documents. Your personal representative will be required to produce evidence of his/her authority to act on your behalf before that person will be given access to your PHI or allowed to take any action for you. Proof of such authority may take one of the following forms:

- A power of attorney for health care purposes, notarized by a notary public;
- A court order of appointment of the person as the conservator or guardian of the individual; or
- An individual who is the parent of a minor child.

However, the Plan will not disclose information to an individual, including your personal representative, if it has a reasonable belief that:

- You have been, or may be, subjected to domestic violence, abuse or neglect by such person or treating such person as your personal representative could endanger you; and
- In the exercise of professional judgment, it is not in your best interest to disclose the PHI.

This also applies to personal representatives of minors.

Authorization

Any uses or disclosures of your PHI not described above will be made only with your written authorization. Most disclosures involving psychotherapy notes will require your written authorization. In addition, the Plan generally cannot use your PHI for marketing purposes or engage in the sale of your PHI without your written authorization. You may revoke your written authorization at any time, so long as the revocation is in writing. Once the Plan receives your authorization, it will only be effective for future uses and disclosures. It will not be effective for any information that may have been used or disclosed in reliance upon the written authorization and prior to receiving your written revocation.

Section 2. RIGHTS OF INDIVIDUALS

You have the following rights with respect to your PHI:

Right to Request Restrictions on PHI Uses and Disclosures. *You may request in writing that the Plan restrict or limit its uses and disclosures of your PHI to carry out treatment, payment, or health care operations, or to limit disclosures to family members, relatives, friends or other persons identified by you who are involved in your care or payment for your care. For example, you could request that the Plan not use or disclose specific information about a specific medical procedure you had. However, the Plan is not required to agree to your request.*

Right to Request Confidential Communications. You have the right to request that the Plan communicate with you about medical matters in a certain way or at a certain location. For example, you may ask that we only contact you at work or by mail. The Plan will not ask you the reason for your request, which must specify how or where you wish to be contacted. The Plan will accommodate all reasonable requests to receive communications of PHI by alternative means if you clearly provide information that the disclosure of all or part of your PHI could endanger you.

Right to Inspect and Copy PHI. *You have a right of access to inspect and obtain a copy of your PHI (including electronic PHI) contained in the Plan's "designated record set," for as long as the PHI is maintained by the Plan in a designated record set. If you request a copy of the information, the Plan may charge you a reasonable fee for the costs of copying, mailing or other supplies associated with your request.*

"Designated Record Set" includes the medical records and billing records about an individual maintained by or for a covered health care provider; enrollment, payment, billing, claims adjudication and case or medical management record systems maintained by or for a health plan; or other information used in whole or in part by or for the covered entity to make decisions about the individual. Information used for quality control or peer review analyses and not used to make decisions about individuals is not in the designated record set.

If your request is granted, the requested information will be provided to you within 30 days after the receipt of your request in the form and format requested, if it is readily producible in such form and format, or if not, in a readable hard copy form (or a readable electronic form and format in the case of PHI maintained in designated records sets electronically) or such other form and format as agreed upon by you and the Plan. If the Plan is unable to comply with request within the 30-day deadline, a one-time 30-day extension is permissible. In such case, you will receive notification of the need for an extension within the initial 30-day period.

Please note that your right does not apply to psychotherapy notes or information compiled in reasonable anticipation of a legal proceeding. The Plan may deny your request to inspect and copy your PHI in very limited circumstances. If access is denied, you or your personal representative will be provided with a written denial setting forth the basis for the denial, a description of how you may exercise those review rights and a description of how you may complain to the Secretary of the U.S. Department of Health and Human Services.

Right to Amend PHI. If you believe that the PHI the Plan has about you is incorrect or incomplete, you have the right to request in writing that the Plan amend your PHI or a record contained in a designated record set for as long as the PHI is maintained by the Plan in the designated record set. The Plan has 60 days after the request is made to act on the request. However, a single 30-day extension is allowed if the Plan is unable to comply with the deadline.

The Plan may deny your request for an amendment if it is not in writing or does not include a reason to support the request. In addition, the Plan may deny your request if you ask for the amendment of information that: (1) is not part of the medical information kept by or for the Plan; (2) was not created by the Plan, unless the person or entity that created the information is no longer available to make the amendment; (3) is not part of the information that you would be permitted to inspect or copy; or (4) is already accurate and complete. If the request is denied in whole or in part, the Plan must provide you with a written denial that explains the basis for the denial. You have the right to file a written statement of disagreement and any future disclosures of the disputed information will include your statement.

The Right to Receive an Accounting of PHI Disclosures. You have the right to receive a list of disclosures of your PHI that have been made by the Plan on or after April 14, 2003 (or January 1, 2011 in the case of disclosures of your PHI from electronic health records maintained by the Plan, if any) over a period of up to six years (three years in the case of disclosures from an electronic health record) prior to the date of your request. Certain disclosures are not required to be included in such accounting of disclosures, including but not limited to disclosures made by the Plan (1) for treatment, payment or health care operations (unless the disclosure is made from an electronic health record), or (2) in accordance with your authorization. If you request more than one accounting within a 12-month period, the Plan will charge a reasonable, cost-based fee for each subsequent accounting.

The Right to Receive a Paper Copy of This Notice upon Request. You have the right to receive a paper copy of this Notice even if you have agreed to receive this Notice electronically.

To exercise any of your HIPAA rights described above, you or your personal representative must contact the HIPAA Privacy Office at tronc, Inc., 435 North Michigan Ave, Attn: HIPAA Privacy Officer, Chicago, IL 60611. You or your personal representative may be required to complete a form required by the Plan in connection with your specific request.

THE PLAN'S DUTIES

Notice of Privacy Practices. The Plan is required by law to provide individuals covered under the Plan with notice of its legal duties and privacy practices. The Plan is required to comply with the terms of this Notice. However, the Plan reserves the right to change its privacy practices and to apply the changes to any PHI received or maintained by the Plan prior to that date. In the event of any material change to this Notice, a revised version of this Notice will be distributed to all individuals covered under the Plan within 60 days of the effective date of such change **by first-class U.S. mail** or with other Plan communications.

Breach Notification. The Plan has a legal duty to notify you following the discovery of a breach involving your unsecured PHI

Minimum Necessary Standard. When using or disclosing PHI, the Plan will use and/or disclose only the minimum amount of PHI necessary to accomplish the intended purposes of the use or disclosure. However, the minimum necessary standard will not apply in the following situations:

- Disclosure to or requests by a health care provider for treatment;
- Uses or disclosures made to you; and
- Uses or disclosures that are required by law.

COMPLAINTS

If you believe that your privacy rights have been violated, you may file a complaint with the Plan or with the appropriate regional office of the Office for Civil Rights of the U.S. Department of Health and Human Services. To file a complaint with the Plan, contact the HIPAA Privacy Officer at tronc, Inc., 435 North Michigan Ave, Attn: HIPAA Privacy Officer, Chicago, IL 60611.

You will not be penalized or in any other way retaliated against for filing a complaint with the Office for Civil Rights or with the Plan.

ADDITIONAL INFORMATION

If you have any questions regarding this Notice or the subjects addressed in it, you may call (844) 54-tronc

Notice of Special Enrollment Rights under the Health Insurance Portability and Accountability Act (HIPAA)

If you are declining enrollment for yourself or your dependents (including your spouse) because of other health insurance or group health plan coverage, you may be able to enroll yourself and your dependents in this plan if you or your dependents lose eligibility for that other coverage (or if the employer stops contributing toward your or your dependents' other coverage). However, you must request enrollment no later than 30 days after your or your dependents' other coverage ends (or after the employer stops contributing toward the other coverage).

In addition, if you have a new dependent as a result of marriage, birth, adoption, or placement for adoption, you may be able to enroll yourself and your dependents. However, you must request enrollment no later than 30 days after the marriage, birth, adoption, or placement for adoption.

Effective April 1, 2009, if either of the following two events occur, you will have *60 days* from the date of the event to request enrollment in your employer's plan:

- Your dependents lose Medicaid or CHIP coverage because they are no longer eligible.
- Your dependents become eligible for a state's premium assistance program.

To take advantage of special enrollment rights, you must experience a qualifying event *and* provide the employer plan with timely notice of the event and your enrollment request.

To request special enrollment or obtain more information, call (844) 54-tronc

Sample Patient Protection Disclosures

The Kaiser HMO plans require the designation of a primary care provider. You have the right to designate any primary care provider who participates in our network and who is available to accept you or your family members. For information on how to select a primary care provider, and for a list of the participating primary care providers, call (844)54-tronc. **For children, you may designate a pediatrician as the primary care provider.**

You do not need prior authorization from your plan or from any other person (including a primary care provider) in order to obtain access to obstetrical or gynecological care from a health care professional in our network who specializes in obstetrics or gynecology. The health care professional, however, may be required to comply with certain procedures, including obtaining prior authorization for certain services, following a pre-approved treatment plan, or procedures for making referrals. For a list of participating health care professionals who specialize in obstetrics or gynecology, contact the plan's customer service number on the back of your identification card or by accessing provider profiles and information on KP.org

Sample Notice of Women's Health and Cancer Rights Act

The Women's Health and Cancer Rights Act of 1998 requires group health plans to make certain benefits available to participants who have undergone a mastectomy. In particular, a plan must offer mastectomy patients benefits for:

- All stages of reconstruction of the breast on which the mastectomy was performed
- Surgery and reconstruction of the other breast to produce a symmetrical appearance
- Prosthesis
- Treatment of physical complications of the mastectomy, including lymphedema

Our plan complies with these requirements. Benefits for these items generally are comparable to those provided under our plan for similar types of medical services and supplies. Of course, the extent to which any of these items is appropriate following mastectomy is a matter to be determined by the patient and her physician. Our plan neither imposes penalties (for example, reducing or limiting reimbursements) nor provides incentives to induce attending

providers to provide care inconsistent with these requirements. If you would like more information about WHCRA required coverage, you can contact the plan administrator at our telephone number: (844) 54-tronc

Newborns' and Mothers' Health Protection Act

If you are declining enrollment for yourself or your dependents (including your spouse) because of other health insurance or group health plan coverage, you may be able to enroll yourself and your dependents in this plan if you or your dependents lose eligibility for that other coverage (or if the employer stops contributing toward your or your dependents' other coverage). However, you must request enrollment no later than 30 days after your or your dependents' other coverage ends (or after the employer stops contributing toward the other coverage).

In addition, if you have a new dependent as a result of marriage, birth, adoption, or placement for adoption, you may be able to enroll yourself and your dependents. However, you must request enrollment no later than 30 days after the marriage, birth, adoption, or placement for adoption.

Effective April 1, 2009, if either of the following two events occur, you will have *60 days* from the date of the event to request enrollment in your employer's plan:

- Your dependents lose Medicaid or CHIP coverage because they are no longer eligible.
- Your dependents become eligible for a state's premium assistance program.

To take advantage of special enrollment rights, you must experience a qualifying event *and* provide the employer plan with timely notice of the event and your enrollment request.

To request special enrollment or obtain more information, call (844) 54-tronc

Please read this important notice regarding the Health Insurance Marketplace Coverage Options and Your Health Plan

When key parts of the health care law took effect in 2014, there was a new way to buy health insurance: the Health Insurance Marketplace. To assist you as you evaluate options for you and your family, this notice provides some basic information about the new Marketplace and employment-based health coverage offered by your employer.

What is the Health Insurance Marketplace?

The Marketplace is designed to help you find health insurance that meets your needs and fits your budget. The Marketplace offers "one-stop shopping" to find and compare private health insurance options. You may also be eligible for a new kind of tax credit that lowers your monthly premium right away.

Can I Save Money on my Health Insurance Premiums in the Marketplace?

You may qualify to save money and lower your monthly premium, but only if your employer:

- does not offer coverage, or
- offers coverage that does not meet certain standards.

The savings on your premium that you're eligible for depends on your household income.

Does Employer Health Coverage Affect Eligibility for Premium Savings through the Marketplace?

Yes. If you have an offer of health coverage from your employer that meets certain standards, you will not be eligible for a tax credit through the Marketplace; in that case you may wish to enroll in your employer's health plan.

However, you may be eligible for a tax credit that lowers your monthly premium or a reduction in certain cost-sharing if your employer does not offer coverage to you at all or does not offer coverage to you that meets certain standards. If the cost of a plan from your employer that would cover you (and not any other members of your family) is more than 9.5% of your household income for the year, or if the coverage your employer provides does not meet the "minimum value" standard set by the Affordable Care Act, you may be eligible for a tax credit.¹

Note: Please be aware that if you purchase a health plan through the Marketplace instead of accepting health coverage offered by your employer, you may lose the employer's contribution, if any, to the employer-offered coverage. Also, this employer contribution — as well as your contribution to employer-offered coverage — is often excluded from income for Federal and State income tax purposes. Your payments for coverage through the Marketplace would be made by you on an after-tax basis.

How Can I Get More Information?

For more information about your coverage offered by your employer please check your summary plan description or contact (844) 54-tronc

The Marketplace can help you evaluate your coverage options, including your eligibility for coverage through the Marketplace and its cost. Please visit <https://www.healthcare.gov/> for more information, including an online application for health insurance coverage and contact information for a Health Insurance Marketplace in your area.

¹An employer-sponsored health plan meets the "minimum value" standard if the plan's share of the total allowed benefit costs covered by the plan is no less than 60 percent of such costs.

Continuation Coverage Rights Under COBRA

Introduction

You're getting this notice because you recently gained coverage under a group health plan (the Plan). This notice has important information about your right to COBRA continuation coverage, which is a temporary extension of coverage under the Plan. **This notice explains COBRA continuation coverage, when it may become available to you and your family, and what you need to do to protect your right to get it.** When you become eligible for COBRA, you may also become eligible for other coverage options that may cost less than COBRA continuation coverage.

The right to COBRA continuation coverage was created by a federal law, the Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA). COBRA continuation coverage can become available to you and other members of your family when group health coverage would otherwise end. For more information about your rights and obligations under the Plan and under federal law, you should review the Plan's Summary Plan Description or contact the Plan Administrator.

You may have other options available to you when you lose group health coverage. For example, you may be eligible to buy an individual plan through the Health Insurance Marketplace. By enrolling in coverage through the Marketplace, you may qualify for lower costs on your monthly premiums and lower out-of-pocket costs. Additionally, you may qualify for a 30-day special enrollment period for another group health plan for which you are eligible (such as a spouse's plan), even if that plan generally doesn't accept late enrollees.

What is COBRA continuation coverage?

COBRA continuation coverage is a continuation of Plan coverage when IT WOULD otherwise end because of a life event. This is also called a "qualifying event." Specific qualifying events are listed later in this notice. After a qualifying event, COBRA continuation coverage must be offered to each person who is a "qualified beneficiary." You, your spouse, and your dependent children could become qualified beneficiaries if coverage under the Plan is lost because of the qualifying event. Under the Plan, qualified beneficiaries who elect COBRA continuation coverage must pay for COBRA continuation coverage.

If you're an employee, you'll become a qualified beneficiary if you lose your coverage under the Plan because of the following qualifying events:

- Your hours of employment are reduced, or
- Your employment ends for any reason other than your gross misconduct

If you're the spouse of an employee, you'll become a qualified beneficiary if you lose your coverage under the Plan because of the following qualifying events:

- Your spouse dies;
- Your spouse's hours of employment are reduced;
- Your spouse's employment ends for any reason other than his or her gross misconduct;
- Your spouse becomes entitled to Medicare benefits (under Part A, Part B, or both); or
- You become divorced or legally separated from your spouse.

Your dependent children will become qualified beneficiaries if they lose coverage under the Plan because of the following qualifying events:

- The parent-employee dies;
- The parent-employee's hours of employment are reduced;
- The parent-employee's employment ends for any reason other than his or her gross misconduct;
- The parent-employee becomes entitled to Medicare benefits (Part A, Part B, or both);
- The parents become divorced or legally separated; or
- The child stops being eligible for coverage under the Plan as a "dependent child."

Sometimes, filing a proceeding in bankruptcy under title 11 of the United States Code can be a qualifying event. If a proceeding in bankruptcy is filed with respect to tronc, Inc and that bankruptcy results in the loss of coverage of any retired employee covered under the Plan, the retired employee will become a qualified beneficiary. The retired employee's spouse,

surviving spouse, and dependent children will also become qualified beneficiaries if bankruptcy results in the loss of their coverage under the Plan.

When is COBRA continuation coverage available?

The Plan will offer COBRA continuation coverage to qualified beneficiaries only after the Plan Administrator has been notified that a qualifying event has occurred. The employer must notify the Plan Administrator of the following qualifying events:

- The end of employment or reduction of hours of employment;
- Death of the employee;
- Commencement of a proceeding in bankruptcy with respect to the employer; or
- The employee's becoming entitled to Medicare benefits (under Part A, Part B, or both).

For all other qualifying events (divorce or legal separation of the employee and spouse or a dependent child's losing eligibility for coverage as a dependent child), you must notify the Plan Administrator within 31 days after the qualifying event occurs. You must provide this notice to: (844) 54-tronc, tronc Benefits Service Center

How is COBRA continuation coverage provided?

Once the Plan Administrator receives notice that a qualifying event has occurred, COBRA continuation coverage will be offered to each of the qualified beneficiaries. Each qualified beneficiary will have an independent right to elect COBRA continuation coverage. Covered employees may elect COBRA continuation coverage on behalf of their spouses, and parents may elect COBRA continuation coverage on behalf of their children.

COBRA continuation coverage is a temporary continuation of coverage that generally lasts for 18 months due to employment termination or reduction of hours of work. Certain qualifying events, or a second qualifying event during the initial period of coverage, may permit a beneficiary to receive a maximum of 36 months of coverage.

There are also ways in which this 18-month period of COBRA continuation coverage can be extended:

Disability extension of 18-month period of COBRA continuation coverage

If you or anyone in your family covered under the Plan is determined by Social Security to be disabled and you notify the Plan Administrator in a timely fashion, you and your entire family may be entitled to get up to an additional 11 months of COBRA continuation coverage, for a maximum of 29 months. The disability would have to have started at some time before the 60th day of COBRA continuation coverage and must last at least until the end of the 18-month period of COBRA continuation coverage. Please contact (844) 54-tronc, tronc Benefits Service Center

Second qualifying event extension of 18-month period of continuation coverage

If your family experiences another qualifying event during the 18 months of COBRA continuation coverage, the spouse and dependent children in your family can get up to 18 additional months of COBRA continuation coverage, for a maximum of 36 months, if the Plan is properly notified about the second qualifying event. This extension may be available to the spouse and any dependent children getting COBRA continuation coverage if the employee or former employee dies; becomes entitled to Medicare benefits (under Part A, Part B, or both); gets divorced or legally separated; or if the dependent child stops being eligible under the Plan as a dependent child.

This extension is only available if the second qualifying event would have caused the spouse or dependent child to lose coverage under the Plan had the first qualifying event not occurred.

Are there other coverage options besides COBRA Continuation Coverage?

Yes. Instead of enrolling in COBRA continuation coverage, there may be other coverage options for you and your family through the Health Insurance Marketplace, Medicaid, or other group health plan coverage options (such as a spouse's plan) through what is called a "special enrollment period." Some of these options may cost less than COBRA continuation coverage. You can learn more about many of these options at www.healthcare.gov.

If you have questions

Questions concerning your Plan or your COBRA continuation coverage rights should be addressed to the contact or contacts identified below. For more information about your rights under the Employee Retirement Income Security Act (ERISA), including COBRA, the Patient Protection and Affordable Care Act, and other laws affecting group health plans, contact the nearest Regional or District Office of the U.S. Department of Labor's Employee Benefits Security Administration (EBSA) in your area or visit www.dol.gov/ebsa. (Addresses and phone numbers of Regional and District EBSA Offices are available through EBSA's website.) For more information about the Marketplace, visit www.HealthCare.gov.

Keep your Plan informed of address changes

To protect your family's rights, let the Plan Administrator know about any changes in the addresses of family members. You should also keep a copy, for your records, of any notices you send to the Plan Administrator.

Important Notice from tronc, Inc. About Your Prescription Drug Coverage and Medicare

Please read this notice carefully and keep it where you can find it. This notice has information about your 2018 prescription drug coverage with tronc, Inc. and about your options under Medicare's prescription drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan. If you are considering joining, you should compare your 2018 coverage options, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

There are two important things you need to know about your 2018 coverage and Medicare's prescription drug coverage:

1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.
2. tronc, Inc. has determined that your prescription drug coverage offered by the plans listed below are, on average for all plan participants, expected to pay out as much as standard Medicare prescription drug coverage pays and is considered Creditable Coverage.
 - Blue Cross Blue Shield Signature PPO, Premier HSA, Premium HSA and Basic HSA Plans
 - UnitedHealthcare Signature PPO, Premier HSA, Premium HSA and Basic HSA Plans
 - Kaiser Permanente Signature HMO, Premier HSA, Premium HSA and Basic HSA Plans
 - Kaiser Permanente (California Only) Traditional HMO Plan

Because your 2018 coverage is Creditable Coverage, you can participate and not pay a higher premium (a penalty) if you decide to join a Medicare drug plan.

When Can You Join a Medicare Drug Plan?

You can join a Medicare drug plan when you first become eligible for Medicare and each year from October 15th through December 7th.

However, if you lose your creditable prescription drug coverage, through no fault of your own, you will also be eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare drug plan.

What Happens To Your Coverage If You Decide to Join A Medicare Drug Plan?

If you decide to join a Medicare drug plan, your coverage may be affected. Moreover, if you do decide to join a Medicare drug plan and drop your coverage, be aware that you and your dependents may not be able to get this coverage back.

Please contact your Human Resources Department for more information about what happens to your coverage if you enroll in a Medicare Part D prescription drug plan.

When Will You Pay A Higher Premium (Penalty) To Join A Medicare Drug Plan?

You should also know that if you drop or lose your coverage with tronc, Inc. and don't join a Medicare drug plan within 63 continuous days after your coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later.

If you go 63 continuous days or longer without creditable prescription drug coverage, your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go nineteen months without creditable coverage, your premium may consistently be at least 19% higher than the Medicare base beneficiary premium. You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to join.

For More Information About This Notice Or Your 2018 Prescription Drug Coverage...

Contact the person listed below for further information. You can also refer to the Summary Plan Description (SPD) for your 2018 prescription drug plan design details. **NOTE:** You'll get this notice each year. You will also get it before the next period you can join a Medicare drug plan, and if this coverage through tronc, Inc. changes. You also may request a copy.

For More Information About Your Options Under Medicare Prescription Drug Coverage...

More detailed information about Medicare plans that offer prescription drug coverage is in the "Medicare & You" handbook. You'll get a copy of the handbook in the mail every year from Medicare. You may also be contacted directly by Medicare drug plans.

For more information about Medicare prescription drug coverage:

- Visit www.medicare.gov
- Call your State Health Insurance Assistance Program (see the inside back cover of your copy of the "Medicare & You" handbook for their telephone number) for personalized help,
- Call 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048.

If you have limited income and resources, extra help paying for Medicare prescription drug coverage is available. For information about this extra help, visit Social Security on the web at www.socialsecurity.gov, or call them at 1-800-772-1213 (TTY 1-800-325-0778).

Remember: Keep this Creditable Coverage notice. If you decide to join one of the Medicare drug plans, you may be required to provide a copy of this notice when you join to show whether or not you have maintained creditable coverage and, therefore, whether or not you are required to pay a higher premium (a penalty).
