IMPORTANT INFORMATION ABOUT YOUR PLAN

Under current IRS rules for high deductible health plans (HDHPs), only preventive care benefits can be provided without a deductible. Maryland law requires all plans to cover male sterilization without a deductible, but the IRS does not list male sterilization as one of the preventive care benefits for HDHPs. The Maryland Insurance Administration is aware of this issue and has sought clarification from the IRS. If you fund an HSA with this plan, you may be subject to tax penalties if the IRS does not recognize male sterilization as a preventive care benefit. Please contact your tax professional if you have further questions.

YOUR GROUP EVIDENCE OF COVERAGE (EOC) KAISER PERMANENTE

SECTION 1: INTRODUCTION

This Evidence of Coverage (EOC) describes Kaiser Permanente SignatureSM health care coverage provided under the Agreement between Kaiser Foundation Health Plan of the Mid-Atlantic States, Inc. and your Group. In this EOC, Kaiser Foundation Health Plan of the Mid-Atlantic States, Inc. is sometimes referred to as “Health Plan,” “we” or “us.” Members are sometimes referred to as “you.” Some capitalized terms have special meanings in this EOC. Please see the Definitions Appendix of this EOC for terms you should know.

The term of this EOC is based on your Group’s contract year and your effective date of coverage. Your Group’s benefits administrator can confirm that this EOC is still in effect.

The Health Plan provides health care Services directly to its Members through an integrated medical care system, rather than reimburse expenses on a fee-for-service basis. The EOC should be read with this direct-service nature in mind. Under our Agreement with your Group, we have assumed the role of a named fiduciary, which is a party responsible for determining whether you are entitled to benefits under this EOC. Also, as named fiduciary, we have the authority to review and evaluate claims that arise under this EOC. We conduct this evaluation independently by interpreting the provisions of this EOC.

IF YOU ARE ENROLLED IN A HEALTH SAVINGS ACCOUNT QUALIFIED PLAN

The health care coverage described in this Agreement has been designed to be a High Deductible Health Plan (HDHP) qualified for use with a Health Savings Account (HSA). An HSA is a tax-exempt account established under Section 223(d) of the Internal Revenue Code for the exclusive purpose of paying current and future qualified medical expenses. Contributions to such an account are tax deductible, but in order to qualify for and make contributions to an HSA, you must be enrolled in a qualified HDHP.

Enrollment in a HSA-qualified HDHP is only one of the eligibility requirements for establishing and contributing to an HSA. Other requirements include that you must not be:

1. Covered by another health plan (for example, through your Spouse’s employer) that is not also an HSA-qualified plan, with certain exceptions;
2. Enrolled in Medicare; and/or
3. Able to be claimed as a dependent on another person’s tax return.

Please note that the tax references contained in this document relate to federal income tax only. The tax treatment of HSA contributions and distributions under your state’s income tax laws may differ from the federal tax treatment, and differs from state to state. Kaiser Permanente does not provide tax advice. Contact your financial or tax advisor for more information about your eligibility for an HSA or to obtain tax advice.

IF YOU ARE ENROLLED IN A KAISER PERMANENTE DEDUCTIBLE HMO PLAN WITH HEALTH REIMBURSEMENT ARRANGEMENT

The health care coverage described in this Agreement has been designed as a health benefit plan for Members with an employer-sponsored health reimbursement arrangement, a non-federally qualified health benefit plan. Your Group plan administrator will provide you with information about your health reimbursement arrangement, including the amount of your funds, how to access your funds and the specific expenses for which the funds may be used.

Kaiser Foundation Health Plan of the Mid-Atlantic States, Inc.

YOUR GROUP EVIDENCE OF COVERAGE (EOC) KAISER PERMANENTE

We have placed an integrated team of specialists, nurses and technicians alongside our network physicians; all working together at our state-of-the-art Plan Medical Centers. Additionally, we include pharmacy, optical, laboratory and X-ray facilities at most of our Plan Medical Centers.

You must receive care from Plan Providers within our Service Area, except for:

1. Emergency Services;

4. Covered Services received in other Kaiser Permanente Regions or Group Health Cooperative Service Areas.

Through our medical care system, you have convenient access to all of the covered health care Services you may need, such as routine care with your own Plan Physician, hospital care, nurses, laboratory and pharmacy Services and supplies, and other benefits described in Section 3: Benefits.

Also, beginning two (2) years after the date that your Dependent reached the age limit, you must provide us documentation of his or her incapacity and dependency annually within sixty (60) days after we request it so that we can determine if he or she continues to be eligible as a disabled Dependent. Documentation of your Dependent's incapacity and dependency may be requested less than once per year; however, such documentation must be provided within sixty (60) days after we request it.

Genetic Information

Note: We will not use, require or request a genetic test, the results of a genetic test, genetic information, or genetic services for the purpose of rejecting, limiting, canceling or refusing to renew a health insurance policy or contract. In addition, genetic information or the request for such information shall not be used to increase the rates of, affect the terms or conditions of, or otherwise affect a Member's coverage.

We will not release identifiable genetic information or the results of a genetic test to any person who is not an employee of Health Plan or a Plan Provider who is active in the Member's health care, without prior written authorization from the Member from whom the test results or genetic information was obtained.

Kaiser Foundation Health Plan of the Mid-Atlantic States, Inc.

of the month following the date your Group receives a Health Plan–approved enrollment or change of enrollment application from the Subscriber.

Special enrollment due to new Dependents

You may enroll as a Subscriber (along with any or all eligible Dependents), and existing Subscribers may add any or all eligible Dependents, within thirty-one (31) days after marriage, Domestic Partnership, birth, adoption, or placement for adoption by submitting to your Group a Health Plan-approved enrollment application.

The effective date of an enrollment as the result of newly acquired Dependents will be:

1. **For new Spouse or Domestic Partner**, no later than the first day of the month following the date your Group receives an enrollment application from the Subscriber.
2. **For newborn children, the moment of birth**. If payment of additional Premium is required to provide coverage for the newborn child then, in order for coverage to continue beyond thirty-one (31) days from the date of birth, notification of birth and payment of additional Premium must be provided within thirty-one (31) days of the date of birth, otherwise coverage for the newborn will terminate thirty-one (31) days from the date of birth.
3. **For children, stepchildren, grandchildren, or adopted children who become eligible through Subscriber’s marriage, the date of the marriage**. If payment of additional Premium is required to provide coverage for the child(ren) then, in order for coverage to continue beyond thirty-one (31) days from the date of eligibility, notification of eligibility and payment of additional Premium must be provided within thirty-one (31) days of the date of eligibility, otherwise coverage for the newly eligible child(ren) will terminate thirty-one (31) days from the date of eligibility.
4. **For children, stepchildren, grandchildren, or adopted children who become eligible through Subscriber’s new Domestic Partner arrangement, the date of the signed Affidavit of Domestic Partnership**. If payment of additional Premium is required to provide coverage for the child(ren) then, in order for coverage to continue beyond thirty-one (31) days from the date of eligibility, notification of eligibility and payment of additional Premium must be provided within thirty-one (31) days of the date of eligibility, otherwise coverage for the newly eligible child(ren) will terminate thirty-one (31) days from the date of eligibility.
5. **For newly adopted children (including children newly placed for adoption)**, the “date of adoption.” The “date of adoption” means the earlier of: (1) a judicial decree of adoption, or (2) the assumption of custody or placement with the Subscriber or Subscriber’s Spouse or Domestic Partner, pending adoption of a prospective adoptive child by a prospective adoptive parent.

If payment of additional Premium is required to provide coverage for the child then, in order for coverage to continue beyond thirty-one (31) days from the date of adoption, notification of adoption and payment of additional Premium must be provided within thirty-one (31) days of the date of adoption, otherwise coverage for the newly adopted child will terminate thirty-one (31) days from the date of adoption.

6. **For a newly eligible grandchild, the date the grandchild is placed in your or your Spouse’s or Domestic Partner’s custody**. If payment of additional Premium is required to provide

Kaiser Foundation Health Plan of the Mid-Atlantic States, Inc.

YOUR GROUP EVIDENCE OF COVERAGE (EOC) KAISER PERMANENTE

coverage for the child then, in order for coverage to continue, notification of the court ordered custody and payment of additional Premium must be provided within thirty-one (31) days of the date of the court ordered custody, otherwise coverage terminates thirty-one (31) days from the date of the court ordered custody.

7. **For children who are newly eligible for coverage as the result of guardianship granted by court or testamentary appointment, the date of court or testamentary appointment.** If payment of additional Premium is required to provide coverage for the child, notification of the court or testamentary appointment may be provided at any time but, payment of Premium must be provided within thirty-one (31) days of the enrollment of the child, otherwise, enrollment of the child terminates thirty-one (31) days from the date of court or testamentary appointment.

Special Enrollment due to court or administrative order

If you are enrolled as a Subscriber and you are required under a court or administrative order to provide coverage for a Dependent child, you may enroll the child at any time pursuant to the requirements specified by §15-405(f) of the Maryland Insurance Article. You must submit a Health Plan-approved enrollment application along with a copy of the order to your employer.

If you are not enrolled at the time we receive a court or administrative order to provide coverage for a Dependent child, we shall enroll both you and the child, without regard to any enrollment period restrictions, pursuant to the requirements and time periods specified by §15-405(f) and (g) of the Maryland Insurance Article.

The membership effective date for children who are newly eligible for coverage as the result of a court or administrative order received by you or your Spouse or Domestic Partner, will be the date specified in the court or administrative order.

If payment of additional Premium is required to provide coverage for the child, notification of the court or administrative order may be provided at any time but, payment of additional Premium must be provided within thirty-one (31) days of enrollment of the child, otherwise, enrollment of the child will be void. Enrollment for such child will be allowed in accordance with Section 15-405(c) of the Insurance Article which provides for the following:

 - c. Employer has eliminated family member's coverage for all of its employees; or
 - d. Employer no longer employs the insuring parent, except the parent elects to enroll in COBRA, coverage shall be provided for the child consistent with the employer's plan for postemployment health insurance coverage for dependents.

Special enrollment due to loss of other coverage

You may enroll as a Subscriber (along with any or all eligible Dependents), and existing Subscribers may add any or all eligible Dependents, if all of the following are true:

1. The Subscriber or at least one (1) of the Dependents had other coverage when he or she previously declined Health Plan coverage;
2. The loss of the other coverage is due to one of the following:
 - a. Exhaustion of COBRA coverage;
 - b. Termination of employer contributions for non-COBRA coverage; however the special enrollment period is still applicable even if the other coverage continues because the enrolling person is paying the amounts previously paid by the employer;
 - c. Loss of eligibility for non-COBRA coverage, but not termination for cause or termination from an individual (non-group) plan for nonpayment. For example, this loss of eligibility may be due to legal separation or divorce, reaching the age limit for dependent children, or the Subscriber's death, termination of employment, or reduction in hours of employment;
 - d. Loss of eligibility for Medicaid coverage or Child Health Insurance Program (CHIP) coverage, but not termination for cause; or
 - e. Reaching a lifetime maximum on all benefits.

Note: If you are enrolling yourself as a Subscriber along with at least one (1) eligible Dependent, only one (1) of you must meet the requirements stated above.

To request enrollment, the Subscriber must submit a Health Plan-approved enrollment or change of enrollment application to your Group within thirty-one (31) days after loss of other coverage, except that the timeframe for submitting the application is sixty (60) days if you are requesting enrollment due to loss of eligibility for Medicaid or CHIP coverage. The effective date of an enrollment resulting from loss of other coverage is no later than the 1st day of the month following the date your Group receives an enrollment or change of enrollment application from the Subscriber.

Special enrollment due to reemployment after military service

If you terminated your health care coverage because you were called to active duty in the military service, you may be able to be reenrolled in your Group's health plan if required by state or federal law. Please ask your Group for more information.

Special enrollment due to eligibility for premium assistance under Medicaid or CHIP

You may enroll as a Subscriber (along with any or all eligible Dependents), and existing Subscribers may add any or all eligible Dependents, if the Subscriber or at least one of the enrolling Dependents becomes eligible to receive premium assistance under Medicaid or CHIP. To request enrollment, the Subscriber must submit a Health Plan-approved enrollment or change of enrollment application to your Group within sixty (60) days after the Subscriber or Dependent is determined eligible for premium assistance. The effective date of an enrollment resulting from eligibility for the premium assistance under Medicaid or CHIP is no later than the 1st day of the month following the date your Group receives an enrollment or change of enrollment application from the Subscriber.

SECTION 2: HOW TO OBTAIN SERVICES

To receive covered Services, you must be a current Health Plan Member. Anyone who is not a Member will be billed for any Services we provide at Allowable Charges, and claims for Emergency or Urgent Care Services from non-Plan Providers will be denied.

As a Member, you are selecting our medical care system to provide your health care. You must receive all covered Services from Plan Providers inside our Service Area, except as described under the following headings:

1. Emergency Services, in Section 3: Benefits;
2. Urgent Care Outside our Service Area, in Section 3: Benefits;
3. Continuity of Care for New Members as described in this section;
4. Approved Referrals, as described in this section under “Getting a Referral,” including referrals for Clinical Trials as described in Section 3: Benefits; and
5. Authorized Referrals.

YOUR PRIMARY CARE PLAN PHYSICIAN

Your primary care Plan Physician plays an important role in coordinating your health care needs, including hospital stays and referrals to specialists. We encourage you to choose a primary care Plan Physician when you enroll. Each member of your family should have his or her own primary care Plan Physician. If you do not select a primary care Plan Physician upon enrollment, we will assign you one near your home.

You may select a primary care Plan Physician who is available to accept new members from any of the following areas: internal medicine, family practice and pediatrics. A list of all primary care Plan Physicians is provided to you on an annual basis.

You may also access our Provider Directory online at: www.kp.org

To learn how to choose or change your primary care Plan Physician, contact Member Services Monday through Friday between 7:30 a.m. and 9 p.m. at 1-800-777-7902 or 711 (TTY).

CONTINUITY OF CARE FOR NEW MEMBERS

At the request of a new member, or a new member’s parent, guardian, designee or health care provider, the Health Plan shall:

1. Accept a preauthorization issued by the member’s prior carrier, managed care organization or third party administrator; and
2. Allow a new enrollee to continue to receive health care Services being rendered by a non-Plan provider at the time of the member’s enrollment under this Agreement. If this Agreement is an Added Choice Point of Service (POS) plan the cost share will be covered at the In-Plan level as shown in the Summary of Services and Cost Shares.

As described below, the Health Plan will accept the preauthorization; and allow a new member to continue to receive Services from a non-Plan Provider for:

1. The lesser of the course of treatment or ninety (90) days; and
2. The duration of up to three trimesters of a pregnancy and the initial postpartum visit.

GETTING A REFERRAL

Plan Providers offer primary medical, pediatric and obstetrics/gynecology care as well as specialty care in areas such as general surgery, orthopedic surgery, dermatology and other medical specialties. If your primary care Plan Physician decides that you require covered Services from a specialist, you will be referred (as further described in this EOC) to a Plan Provider in your Signature provider network who is a specialist that can provide the care you need. All referrals will be subject to review and approval (authorization) in accordance with the terms of this EOC. We will notify you when our review is complete.

Our facilities include Plan Medical Centers and specialty facilities, such as imaging centers, located within our Service Area. You will receive most of the covered Services that you routinely need at these facilities unless you have an approved referral to another Plan Provider.

When you need covered Services (that are authorized), you will be referred to a Plan Hospital, so that we may better coordinate your care using Medical Group Plan Physicians and our electronic medical record system.

There are specific Services that do not require a referral from your primary care Plan Physician. However, you must obtain the care from a Plan Provider. These Services include the following:

1. The initial consultation for treatment of mental illness, emotional disorders, drug or alcohol abuse provided by a Plan Provider. Contact the Behavioral Health Access Unit at 1-866-530-8778.
2. Obstetric and gynecological Services provided by an obstetrician/gynecologist, a certified nurse-midwife, or any other Plan Provider authorized to provide obstetric and gynecological Services, if the care is Medically Necessary, including routine care and the ordering of related obstetrical and gynecological Services that are covered under the Agreement;
3. Optometry Services; and
4. Urgent Care Services provided within our Service Area.

For the most up-to-date list of Plan Medical Centers and other Plan Providers, visit our website at www.kp.org. To request a provider directory, please contact Member Services Monday through Friday between 7:30 a.m. and 9 p.m. at 1-800-777-7902 or 711 (TTY).

STANDING REFERRALS TO SPECIALISTS

If you suffer from a life-threatening, degenerative, chronic or disabling disease or condition that requires specialized health care Services or medical care, your primary care Plan Physician may determine, in consultation with you and the specialist, that you need continuing care from the specialist. In such instances, your primary care Plan Physician will issue a standing referral to the specialist.

The standing referral shall be made in accordance with a written treatment plan for covered Services developed by the specialist, your primary care Plan Physician and you. The treatment plan may limit the number of visits to the specialist; limit the period of time in which visits to the specialist are authorized; and require the specialist to communicate regularly with your primary care Plan Physician regarding the treatment and your health status.

YOUR GROUP EVIDENCE OF COVERAGE (EOC) KAISER PERMANENTE

REFERRALS TO NON-PLAN SPECIALISTS AND NON-PLAN NON-PHYSICIAN SPECIALISTS

A Member may request a referral to a non-Plan specialist or a non-Plan Non-Physician Specialist, if:

1. The Member has been diagnosed with a condition or disease that requires specialized health care Services or medical care; and
2. The Health Plan does not have a Plan specialist or a Non-Physician Specialist with the professional training and expertise to treat or provide health care Services for the condition or disease; or
3. Health Plan cannot provide reasonable access to a specialist or Non-Physician Specialist with the professional training and expertise to treat or provide health care Services for the condition or disease without unreasonable delay or travel.

You must have an approved oral or written referral to the non-Plan specialist or non-Plan Non-Physician Specialist in order for us to cover the Services. Any additional radiology studies, laboratory Services or Services from any professional who is not named in the referral are not authorized and will not be reimbursed. If the non-Plan Provider recommends Services not indicated in the approved referral, your primary care Plan Physician will work with you to determine whether those Services can be provided by a Plan Provider. Copayments, Coinsurance and Deductibles for approved referral Services are the same as those required for Services provided by a Plan Provider.

SECOND OPINIONS

You may receive a second medical opinion from a Plan Physician upon request.

GETTING THE CARE YOU NEED: EMERGENCY SERVICES, URGENT CARE, AND ADVICE NURSES

If you think you are experiencing an Emergency Medical Condition, call 911 (where available) or go to the nearest emergency department. You do not need prior authorization for Emergency Services. When you have an Emergency Medical Condition we cover Emergency Services you receive from Plan Providers or Non-Plan Providers anywhere in the world, as long as the Services would have been covered under the Section 3: Benefits, subject to Section 4: Exclusions, Limitations, and Reductions.

Emergency Services are available from Plan Hospital emergency departments twenty-four (24) hours a day, seven (7) days a week.

Getting Advice from our Advice Nurses

If you are not sure you are experiencing a medical emergency, or for Urgent Care Services (for example, a sudden rash, high fever, severe vomiting, ear infection, or a sprain), you may call our advice nurses at:

Inside the Washington, DC Metropolitan Area: (703) 359-7878

Outside of the Washington, DC Metropolitan Area: 1-800-777-7904

711 (TTY)

After office hours, call: 1-800-677-1112. You can call this number from anywhere in the United States, Canada, Puerto Rico or the U.S. Virgin Islands.

Our advice nurses are registered nurses (RNs) specially trained to help assess medical problems and provide medical advice. They can help solve a problem over the phone and instruct you on self-care at

YOUR GROUP EVIDENCE OF COVERAGE (EOC) KAISER PERMANENTE

home if appropriate. If the problem is more severe and you need an appointment, they will help you to get one.

MAKING APPOINTMENTS

When scheduling appointments it is important to have your identification card handy. If your primary care Plan Physician is located in a Plan Medical Center, please contact Member Services Monday through Friday between 7:30 a.m. and 9 p.m. at 1-800-777-7902 or 711 (TTY).

If your primary care Plan Physician is not located in a Plan Medical Center, please call their office directly. You will find his or her telephone number on the front of your identification card.

USING YOUR IDENTIFICATION CARD

Each Member has a Health Plan ID card with a Medical Record Number on it to use when you call for advice, make an appointment, or go to a Plan Provider for care. The Medical Record Number is used to identify your medical records and membership information. You should always have the same Medical Record Number. If you need to replace your card, or if we ever inadvertently issue you more than one Medical Record Number, please let us know by contacting Member Services Monday through Friday between 7:30 a.m. and 9 p.m. at 1-800-777-7902 or 711 (TTY).

Your ID card is for identification only. You will be issued a Kaiser Membership card that will serve as evidence of your membership status. In addition to your Membership card, you may be asked to show a valid photo ID at your medical appointments. Allowing another person to use your Membership card will result in forfeiture of your card and may result in termination of your membership.

MOVING TO ANOTHER KAISER PERMANENTE REGION OR GROUP HEALTH COOPERATIVE SERVICE AREA

If you move to another Kaiser Permanente Region or Group Health Cooperative service area, you may be able to transfer your Group membership if there is an arrangement with your Group in the new service area. However, eligibility requirements, benefits, Premium, Copayments, Coinsurance and Deductibles, if applicable, may not be the same in the other service area. You should contact your Group's employee benefits coordinator before you move.

PAYMENT TOWARD YOUR COST SHARE AND WHEN YOU MAY BE BILLED

In most cases, you will be asked to make a payment toward your Cost Share at the time you receive Services. If you receive more than one type of Services (such as Primary Care treatment and laboratory tests), you may be required to pay separate Cost Shares for each of those Services. In some cases, your provider may not ask you to make a payment at the time you receive Services and you may be billed for your Cost Share.

Keep in mind that your payment toward your Cost Share may cover only a portion of your total Cost Share for the Services you receive, and you will be billed for any additional amounts that are due. The following are examples of when you may be asked to pay Cost Share amounts in addition to the amount you pay at check-in:

1. **You receive non-preventive Services during a preventive visit.** For example, you go in for a routine physical exam, and at check-in you pay your Cost Share for the preventive exam (your

YOUR GROUP EVIDENCE OF COVERAGE (EOC) KAISER PERMANENTE

Cost Share may be "no charge"). However, during your preventive exam your provider finds a problem with your health and orders non-preventive Services to diagnose your problem (such as laboratory tests). You may be asked to pay your Cost Share for these additional non-preventive diagnostic Services.

2. **You receive diagnostic Services during a treatment visit.** For example, you go in for treatment of an existing health condition, and at check-in you pay your Cost Share for a treatment visit. However, during the visit your provider finds a new problem with your health and performs or orders diagnostic Services (such as laboratory tests). You may be asked to pay your Cost Share for these additional diagnostic Services.
3. **You receive treatment Services during a diagnostic visit.** For example, you go in for a diagnostic exam, and at check-in you pay your Cost Share for a diagnostic exam. However, during the diagnostic exam your provider confirms a problem with your health and performs treatment Services (such as an outpatient procedure). You may be asked to pay your Cost Share for these additional treatment Services.
4. **You receive non-preventive Services during a no-charge courtesy visit.** For example, you go in for a blood pressure check or meet and greet visit and the provider finds a problem with your health and performs diagnostic or treatment Services. You may be asked to pay your Cost Share for these additional diagnostic or treatment Services.
5. **You receive Services from a second provider during your visit.** For example, you go in for a diagnostic exam, and at check-in you pay your Cost Share for a diagnostic exam. However, during the diagnostic exam your provider requests a consultation with a specialist. You may be asked to pay your Cost Share for the consultation with the specialist.

O. EMERGENCY SERVICES

As described below, you are covered for Emergency Services if you experience an Emergency Medical Condition anywhere in the world.

If you think you are experiencing an Emergency Medical Condition, you should call 911 immediately. If you are not sure whether you are experiencing an Emergency Medical Condition, please contact us at the number listed on the reverse side of your ID card for immediate medical advice. You or your representative should notify Health Plan as soon as possible, and not to exceed forty-eight (48) hours or the 1st business day, whichever is later, after you receive care at a hospital emergency room (ER) to ensure coverage, unless it was not reasonably possible to notify us within that time frame. If the emergency room visit was not due to an “Emergency Medical Condition,” as defined in the Definitions Appendix, and was not authorized by the Health Plan, you will be responsible for all charges.

We cover Emergency Services as follows:

Inside our Service Area:

We cover reasonable charges for Emergency Services provided within our Service Area by a Plan Provider or a non-Plan Provider. Coverage provided by a non-Plan Provider is limited to Emergency Services required before you can, without medically harmful consequences, be transported to a Plan Hospital or your primary care Plan Physician’s office.

YOUR GROUP EVIDENCE OF COVERAGE (EOC)

KAISER PERMANENTE

Continuing Treatment Following Emergency Services

Inside our Service Area

After Emergency Services have been received inside the Service Area, all continuing or follow-up treatment must be provided or coordinated by your primary care Plan Physician.

Inside another Kaiser Permanente Region

If you have received Emergency Services while you are temporarily in another Kaiser Permanente Region, continuing or follow-up treatment is available from physicians contracting with that Kaiser Permanente plan.

Outside our Service Area

Except for Emergency Services received for emergency surgery described below, all other continuing or follow-up care for Emergency Services received outside our Service Area must be authorized by us, until you can safely return to the Service Area.

Continuing Treatment Following Emergency Surgery

If we authorize, direct, refer or otherwise allow you to access a hospital emergency facility or other urgent care facility for a medical condition that requires emergency surgery, we will reimburse the physician, oral surgeon, periodontist or podiatrist who performed the surgical procedure for follow-up care that is:

1. Medically Necessary;
2. Directly related to the condition for which the surgical procedure was performed; and
3. Provided in consultation with the Member's primary care Plan Physician.

We will not impose any Copayment or other cost-sharing requirement for follow-up care that exceeds that which you would be required to pay had the follow-up care been rendered by Plan Providers within our Service Area.

Transport to a Service Area

If you obtain prior approval from us, or from the nearest Kaiser Foundation Health Plan Medical Center, we will cover necessary ambulance Services or other special transportation arrangements medically required to transport you to a Plan Hospital or Medical Office in our Service Area, or in the nearest Kaiser Foundation Health Plan Region, for continuing or follow-up treatment.

If you are admitted to a non-Plan Hospital, you or someone on your behalf must notify us within the later of forty-eight (48) hours of any hospital admission, or on the 1st business day following the admission, unless it was not reasonably possible to notify us within that time. We will decide whether to make arrangements for necessary continued care where you are, or to transfer you to a facility we designate. If you do not notify us, or if you choose not to be transferred, we will not cover any Services you receive after transfer would have been possible.

Filing Claims for Non-Plan Emergency Services

Keep all your receipts for Emergency Services provided by non-Plan Providers and verify that the non-Plan Provider has submitted the claims. All claims must be filed with us within one (1) year of receipt of covered Services. Failure to submit such a request within one (1) year of receipt of the covered Services will not invalidate or reduce the amount of the claim, if it was not reasonably possible to submit the request within the aforementioned time frame. If it is not reasonably possible to submit the claim within

YOUR GROUP EVIDENCE OF COVERAGE (EOC) KAISER PERMANENTE

one (1) year after the date of service, it shall be sent to us no later than two (2) years from the time, proof is otherwise required. A Member's legal incapacity shall suspend the time to submit a claim. Such suspension period ends when legal capacity is regained.

If you are admitted to a hospital, we will decide whether to make arrangements for necessary continued care where you are, or to transfer you to a facility we designate. If you do not notify us as provided herein, we will not cover the hospital care you receive after transfer would have been possible. If possible, we urge you or your authorized representative to notify us of any emergency room visits to assist you in coordinating any necessary follow-up care.
- **Continuing or Follow-up Treatment:** Except as provided for under "Continuing Treatment Following Emergency Surgery," we do not cover continuing or follow-up treatment after Emergency Services unless authorized by Health Plan. To secure our rights, we also have a lien on those payments. Those payments shall first be applied to satisfy our lien. The assignment and our lien will not exceed the total amount of your obligation to us under the preceding paragraph.

Within thirty (30) days of entering into a surrogacy arrangement, you must send written notice of the arrangement, including a copy of any agreement, the names and addresses of the other parties to the arrangement, to:

If your estate, parent, guardian, spouse, trustee or conservator asserts a claim against a third party based on the surrogacy arrangement, your estate, parent, guardian, spouse or conservator shall be subject to our liens and other rights to the same extent as if you had asserted the claim against the third party. YOUR GROUP EVIDENCE OF COVERAGE (EOC) KAISER PERMANENTE

Provider, when you recover for medical expenses in a cause of action, the Health Plan has the option of becoming subrogated to all claims, causes of action, and other rights you may have against a third party or an insurer, government program or other source of coverage for monetary damages, compensation or indemnification on account of the injury or illness allegedly caused by the third party. The Health Plan will also be subrogated as of the time it mails or delivers a written notice of its exercise of this option to you or to your attorney as follows: (1) per the Health Plan's fee schedule for Services provided by the Medical Group at one of our Medical Offices or (2) any actual expenses that were made for Services provided by a Participating Provider. The subrogated amount will be reduced by any attorney's fees incurred by the Member.

To secure the Health Plan's rights, the Health Plan will have a lien on the proceeds of any judgment or party for covered medical expenses, in accordance with the first paragraph of this section. The Health Plan's recovery shall be made only to the extent that the Health Plan provided covered Services or made payments for covered Services as a result of the occurrence that gave rise to the cause of action. The proceeds of any judgment or settlement that the Member or Health Plan obtains shall first be applied to satisfy the Health Plan's lien, regardless of whether the total amount of recovery is less than the actual losses and damages you incurred.

Within thirty (30) days after submitting or filing a claim or legal action against the third party, you must send written notice of the claim or legal action to:

Kaiser Foundation Health Plan of the Mid-Atlantic States, Inc.
Attention: Other Party Liability & Recovery Dept.
2101 East Jefferson Street
Rockville, Maryland 20852.

In order for the Health Plan to determine the existence of any rights we may have and to satisfy those rights, you must complete and send the Health Plan all consents, releases, authorizations, assignments and other documents, including lien forms directing your attorney, the third party, and the third party's liability insurer to pay the Health Plan directly. You must not take any action prejudicial to the Health Plan's rights.

If your estate, parent, guardian or conservator asserts a claim against a third party based on your injury or illness, your estate, parent, guardian or conservator and any settlement or judgment recovered by the estate, parent, guardian or conservator shall be subject to the Health Plan's liens and other rights to the same extent as if you had asserted the claim against the third party. The Health Plan may assign its rights to enforce its liens and other rights.

If you are enrolled in Medicare, Medicare law may apply with respect to Services covered by Medicare.

Medicare and TRICARE Benefits

Your benefits are reduced by any benefits to which you are entitled under Medicare, except for Members whose Medicare benefits are secondary by law. TRICARE benefits are usually secondary benefits by law.

Coordination of Benefits (COB)

Members with Health Savings Accounts (HSA)s: Please note that if you have other health care coverage in addition to the coverage under this EOC, in most instances you will not be eligible to establish or contribute to an HSA unless both plans qualify as High Deductible Health Plans (HDHP).

Kaiser Foundation Health Plan of the Mid-Atlantic States, Inc.

YOUR GROUP EVIDENCE OF COVERAGE (EOC) KAISER PERMANENTE

Consult with your financial or tax advisor for tax advice or more information about your eligibility for an HSA. If you have health care coverage with another health plan or insurance company, we will coordinate benefits with the other coverage. The Plan that pays first (Primary Plan) is determined by using National Association of Insurance Commissioners (NAIC) and Medicare Secondary Payer (MSP) Order of Benefits Guidelines.

1. The Primary Plan then provides benefits as it would in the absence of any other coverage.
2. The Plan that pays benefits second (Secondary Plan) coordinates with the Primary Plan, and pays the difference between what the Primary Plan paid, or the value of any benefit or service provided, and 100 percent of the total Allowable Expenses, not to exceed the maximum liability of the Secondary Plan. The Secondary Plan is never liable for more expenses than it would cover if it had been Primary.

Definition

“Plan”: Any of the following that provides benefits or services for, or because of, medical care or treatment: Individual or group insurance or group-type coverage, whether insured or uninsured. This includes group and non-group insurance contracts, health maintenance organization (HMO) contracts, closed panel plans or other forms of group or group-type coverage (whether insured or uninsured); medical care components of long-term care contracts, such as skilled nursing care; medical benefits group or individual automobile contracts (personal injury protection benefits are not required to be paid before benefits under this Plan will be paid) and Medicare or any other federal governmental plan, as permitted by law.. “Plan” does not include hospital indemnity coverage or other fixed indemnity coverage; accident only coverage; specified disease or specified accident coverage; limited benefit health coverage, as defined by state law; school accident type coverage; benefits for non-medical components of long-term care policies; intensive care policies; personal injury protection under a motor vehicle insurance policy; Medicare supplement policies; Medicaid policies; or coverage under other federal governmental plans, unless permitted by law. “Health Plan”: Kaiser Foundation Health Plan of the Mid-Atlantic States, Inc., providing services or benefits for health care. Health Plan is a Plan.

If you have any questions about COB, please contact Member Services Monday through Friday between 7:30 a.m. and 9 p.m. at 1-800-777-7902 or 711 (TTY).

Order of Benefit Determination Rules

Coordination of Benefits (COB) applies when a Member has health care coverage under more than one (1) Plan.

1. The Order of Benefit Determination Rules will be used to determine which Plan is the Primary Plan. The other Plans will be Secondary Plan(s).
2. If the Health Plan is the Primary Plan, it will provide or pay its benefits without considering the other Plan(s) benefits.
3. If the Health Plan is a Secondary Plan, the benefits or Services provided under this Agreement will be coordinated with the Primary Plan so the total of benefits paid, or the reasonable cash value of the Services provided, between the Primary Plan and the Secondary Plan(s) do not exceed 100 percent of the total Allowable Expenses.

Each Plan determines its order of benefits using the first of the following rules that apply:

1. **Non-Dependent or Dependent.** The Plan that covers the person other than as a dependent, for example as an employee, member, policyholder, subscriber or retiree is the Primary plan and the

Kaiser Foundation Health Plan of the Mid-Atlantic States, Inc.

YOUR GROUP EVIDENCE OF COVERAGE (EOC) KAISER PERMANENTE

Plan that covers the person as a dependent is the Secondary plan. However, if the person is a Medicare beneficiary and, as a result of federal law, Medicare is secondary to the Plan covering the person as a dependent; and primary to the Plan covering the person as other than a dependent (e.g. a retired employee); then the order of benefits between the two (2) Plans is reversed so that the Plan covering the person as an employee, member, policyholder, subscriber or retiree is the Secondary plan and the other Plan is the Primary plan.

2. **Dependent Child Covered Under More Than One (1) Plan.** Unless there is a court decree stating otherwise, when a dependent child is covered by more than one (1) Plan the order of benefits is determined as follows:
- a. For a dependent child whose parents are married or are living together, whether or not they have ever been married:
 - i. The Plan of the parent whose birthday falls earlier in the calendar year is the Primary plan; or
 - ii. If both parents have the same birthday, the Plan that has covered the parent the longest is Primary plan.
 - b. For a dependent child whose parents are divorced or separated or not living together, whether or not they have ever been married:
 - i. If a court decree states that one (1) of the parents is responsible for the dependent child's health care expenses or health care coverage and the Plan of that parent has actual knowledge of those terms, that Plan is primary. This rule applies to plan years commencing after the Plan is given notice of the court decree;
 - ii. If a court decree states that both parents are responsible for the dependent child's health care expenses or health care coverage, the provisions of Subparagraph a above shall determine the order of benefits;
 - iii. If a court decree states that the parents have joint custody without specifying that one parent has responsibility for the health care expenses or health care coverage of the dependent child, the provisions of Subparagraph a above shall determine the order of benefits; or
 - iv. If there is no court decree allocating responsibility for the dependent child's health care expenses or health care coverage, the order of benefits for the child are as follows:
 - (a) The Plan covering the Custodial parent;
 - (b) The Plan covering the spouse of the Custodial parent;
 - (c) The Plan covering the non-custodial parent; and then
 - (d) The Plan covering the spouse of the non-custodial parent.
 - c. For a dependent child covered under more than one (1) Plan of individuals who are the parents of the child, the provisions of Subparagraph a or b above shall determine the order of benefits as if those individuals were the parents of the child.
 - d. (i) For a dependent child who has coverage under either or both parents' plans and also has his or her own coverage as a dependent under a spouse's plan, the rule in item 2g applies; (ii) in the event the dependent child's coverage under the spouse's plan began on the same date as the dependent child's coverage under either or both parents' plans, the order of benefits shall be determined by applying the birthday rule in item 2a to the dependent child's parent(s) and the dependent's spouse.

YOUR GROUP EVIDENCE OF COVERAGE (EOC) KAISER PERMANENTE

- e. **Active Employee or Retired or Laid-off Employee.** The Plan that covers a person as an active employee, that is, an employee who is neither laid off nor retired, is the Primary plan. The Plan covering that same person as a retired or laid-off employee is the Secondary plan. The same would hold true if a person is a dependent of an active employee and that same person is a dependent of a retired or laid-off employee. If the other Plan does not have this rule, and as a result, the Plans do not agree on the order of benefits, this rule is ignored. This rule does not apply if paragraph 1 can determine the order of benefits.
- f. **COBRA or State Continuation Coverage.** If a person whose coverage is provided pursuant to COBRA or under a right of continuation provided by state or other federal law is covered under another Plan, the Plan covering the person as an employee, member, subscriber or retiree or covering the person as a dependent of an employee, member, subscriber or retiree is the Primary plan and the COBRA or state or other federal continuation coverage is the Secondary plan. If the other Plan does not have this rule, and as a result, the Plans do not agree on the order of benefits, this rule is ignored. This rule does not apply if paragraph 1 can determine the order of benefits.
- g. **Longer or Shorter Length of Coverage.** The Plan that covered the person as an employee, member, policyholder, subscriber or retiree longer is the Primary plan and the Plan that covered the person the shorter period of time is the Secondary plan.
- h. If the preceding rules do not determine the order of benefits, the Allowable expenses shall be shared equally between the Plans meeting the definition of Plan. In addition, this plan will not pay more than it would have paid had it been the Primary plan.

Effect of COB on the Benefits of this Plan

When the Health Plan is the Primary Plan, COB has no effect on the benefits or Services provided under this Agreement. When the Health Plan is a Secondary Plan as to one (1) or more other Plans, its benefits may be coordinated with the Primary Plan carrier using the guidelines below. COB shall in no way restrict or impede the rendering of Services provided by the Health Plan. At the Member's request, the Health Plan will provide or arrange for covered Services and then seek coordination with a Primary Plan.

- 1. **Coordination with This Plan's Benefits.** The Health Plan may coordinate benefits payable or may recover the reasonable cash value of Services it has provided when the sum of:
 - a. The benefits that would be payable for, or the reasonable cash value of, the Services provided as Allowable Expenses by the Health Plan in the absence of this COB provision; and
 - b. The benefits that would be payable for Allowable Expenses under one (1) or more of the other Plans, in the absence of provisions with a purpose like that of this COB provision, whether or not a claim thereon is made; exceeds Allowable Expenses in a Claim Determination Period. In that case, the Health Plan benefits will be coordinated, or a portion of the reasonable cash value of any Services provided by the Health Plan may be recovered, from the Primary Plan, so that they and the benefits payable under the other Plans do not total more than the Allowable Expenses.
- 2. **Right to Reserve and Release Needed Information.** Certain information is needed to apply these COB rules. The Health Plan will decide the information it needs, and may get that information from, or give it to, any other organization or person. The Health Plan need not tell, or get the consent of, any person to do this. Each person claiming benefits under the Health Plan must give the Health Plan any information it needs.

3. **Facility of Payment.** If a payment made or service provided under another Plan includes an amount that should have been paid or provided by or through the Health Plan, the Health Plan may pay that amount to the organization which made that payment. The amount paid will be treated as if it was a benefit paid by the Health Plan.
4. **Right of Recovery.** If the amount of payments by the Health Plan is more than it should have paid under this COB provision, or if it has provided Services that should have been paid by the Primary Plan, the Health Plan may recover the excess or the reasonable cash value of the Services, as applicable, from one or more of:
 - a. The persons it has paid or for whom it has paid;
 - b. Insurance companies; or
 - c. Other organizations.
5. **Benefit Reserve Account.** When the Health Plan does not have to pay full benefits, or recovers the reasonable cash value of the Services provided because of COB, the savings will be credited to the Member in a Benefit Reserve Account. These savings can be used by the Member for any unpaid Covered Expense during the calendar year. A Member may request detailed information concerning the Benefits Reserve Account from the Health Plan's Patient Accounting Department.

Military Services

For any Services for conditions arising from military service that the law requires the Department of Veterans Affairs to provide, we will not pay the Department of Veterans Affairs, and when we cover any such Services, we may recover the value of the Services from the Department of Veterans Affairs.

For those members enrolled in a Health Savings Account (HSA) qualified plan, please note that if you have actually received Veterans Administration health benefits in the last three (3) months, you will not be eligible to establish or contribute to an HSA even if you are enrolled in a High Deductible Health Plan (HDHP). Consult with your financial or tax advisor for tax advice or more information about your eligibility for an HSA.

SECTION 5: GETTING ASSISTANCE, HEALTH CARE SERVICE REVIEW, AND THE GRIEVANCE AND APPEAL PROCESS

GETTING ASSISTANCE

Member Services representatives are available at most of our Plan Medical Centers and through our Call Center to answer any questions you have about your benefits, available services, and the facilities where you can receive care. For example, they can explain your Health Plan benefits, how to make your first medical appointment, what to do if you move, what to do if you need care while you are traveling, and how to replace an ID card. These representatives can also help you submit a request for payment and/or reimbursement for Emergency Services and Urgent Care Services outside of our Service Area (see “Filing for Payment/Reimbursement of a Post Service Claim” for information) or to initiate an Appeal or a Grievance for any unresolved problem.

We want you to be satisfied with your health care. Please discuss any problems with your primary care Plan Provider or other health care professionals treating you. If you are not satisfied with your primary care Plan Provider, you can request a different Plan Provider by calling Member Services:

THE HEALTH CARE SERVICE REVIEW PROGRAM

Pre-Service Reviews

If you do not have an Urgent Medical Condition and you have not received the Health Care Service you are requesting, then within two (2) working days of receiving all necessary information, Health Plan will make its determination. If we do not have the necessary information to make our decision, we will notify you or your Authorized Representative of the need for additional information within three calendar days of the initial request and explain in detail what information is required. Necessary information includes, but is not limited to, the results of any face-to-face clinical evaluation or any second opinion that may be required. We must receive the information requested by the notice, within forty-five (45) calendar days from the receipt of the notice identifying the additional necessary information, or we will make our decision based upon the information we have available to us at that time.

YOUR GROUP EVIDENCE OF COVERAGE (EOC) KAISER PERMANENTE

If the authorization procedures are not followed, we will notify you and/or your Authorized Representative of the failure to follow the procedures within three (3) calendar days of the request for authorization. The notice will include the proper procedures to be followed to request authorization.

If an admission, procedure or service is pre-authorized, Health Plan will:

1. Notify the provider by telephone within one (1) working day of pre-authorization; and
2. Confirm the pre-authorization with you and the provider in writing within five (5) working days of our decision.

If pre-authorization is denied, or an alternate treatment or service is recommended, Health Plan will:

1. Notify the provider by telephone within one (1) working day of making the denial or alternate treatment or service recommendation; and
2. Confirm the denial decision with you and your Authorized Representative in writing within five (5) working days of making our decision.

You or your Authorized Representative may then file an Appeal or Grievance as appropriate, as described below.

Expedited Pre-Service Reviews

If you have an Urgent Medical Condition and you have not received the Health Care Service for which you are requesting review, then within twenty-four (24) hours of your request, we will notify you if we need additional information to make a decision, or if you or your Authorized Representative failed to follow proper procedures which would result in a denial decision. If additional information is requested, you will have only forty-eight (48) hours in which to submit the requested information. We will make a decision for this type of claim within forty-eight (48) hours following the earlier of (1) receipt of the information from you; or (2) the end of the period for submitting the requested information. Decision regarding pre-service review if you have an urgent Medical Condition will be communicated to you by telephone within twenty-four (24) hours. Such decisions will be confirmed in writing within three (3) calendar days of our decision.

Concurrent Reviews

When you make a request for additional treatment, when we had previously approved a course of treatment that is about to end, the Health Plan will make concurrent review determinations within one (1) working day of receiving the request or within one working day of obtaining all the necessary information so long as the request for authorization of additional services is made prior to the end of prior authorized services. In the event that our review results in the end or limitation of Health Care Services, we will make a review determination with sufficient advance notice so that you can file a timely Grievance or Appeal of our decision. If you have an Urgent Medical Condition, then a request for concurrent review will be handled like any other pre-service request for review when an Urgent Medical Condition is involved, except that our decision will be made within one (1) working day.

If the Health Plan authorizes an extended stay or additional Health Care Services under the concurrent review, the Health Plan will:

1. Notify the provider by telephone within one (1) working day of the authorization; and

YOUR GROUP EVIDENCE OF COVERAGE (EOC) KAISER PERMANENTE

2. Confirm the authorization in writing with you or your Authorized Representative within five (5) working days after the telephone notification. The written notification will include the number of extended days or next review date, or the new total number of Health Care Services approved.

If the request for extended stay or additional Health Care Services is denied, the Health Plan will:

1. Notify the provider and/or you or your Authorized Representative of the denial by telephone within one (1) working day of making the denial decision; and
2. Confirm the denial in writing with you or your Authorized Representative and/or the provider within five (5) working days after the telephone notification. Coverage will continue for Health Care Services until you or your Authorized Representative and the provider rendering the Health Care Service have been notified of the denial decision in writing.

You or your Authorized Representative may then file an Appeal or Grievance, as appropriate, as described below. If you filed a request for additional services at least twenty-four (24) hours before the end of an approved course of treatment, you may continue to receive those services during the time your Appeal or Grievance is under consideration. If your Appeal or Grievance is then denied, you will be financially responsible for the entire cost of those services. Otherwise, if your request for additional services was not timely filed, the Health Plan will decide your request for review within a reasonable period of time appropriate to the circumstances but, in no event, later than thirty (30) calendar days from the date on which the Appeal or Grievance was received.

Filing for Payment/Reimbursement of a Post Service Claim

When you receive an itemized bill from a hospital, physician, or ancillary provider not contracting with us, please forward that bill directly to us for processing. Simply indicate the medical record number of the patient on the bill and submit it directly to us.

A request for payment or reimbursement of the cost of covered services received from physicians, hospitals or other Health Care Providers not contracting with us must be submitted to the Health Plan within one (1) year of receipt of the covered services. Failure to submit such a request within one (1) year of receipt of the covered services will not invalidate or reduce the amount of the claim, if it was not reasonably possible to submit the request within the aforementioned time frame. If it is not reasonably possible to submit the claim within one (1) year after the date of service, it shall be sent to us no later than two (2) years from the time, proof is otherwise required. A Member's legal incapacity shall suspend the time to submit a claim. Such suspension period ends when legal capacity is regained.

You must notify us within the later of forty-eight (48) hours of any hospital admission or on the 1st working day following the admission unless it was not reasonably possible to notify us within that time.

Reimbursement for covered Services will be made to the applicable provider of the Services, or if the claim has been paid, to you or in the case of a child, to the parent who incurred the expenses resulting from the claim or the Department of Health and Mental Hygiene.

Post-Service Claim Reviews

Health Plan will make its determination on post-service review within thirty (30) days of receiving a claim. If we do not have the necessary information to make our decision, we will notify you or your Authorized Representative of the need for additional information within three calendar days of the initial request and explain in detail what information is required. You must respond to requests for additional

YOUR GROUP EVIDENCE OF COVERAGE (EOC) KAISER PERMANENTE

information within thirty (30) calendar days or we will make our decision based upon the information we have available to us at that time.

We will send a notice to you or your Authorized Representative explaining that:

1. The claim was paid; or
2. The claim is being denied in whole or in part; or
3. Additional information is needed to determine if all or part of the claim will be reimbursed and what specific information must be submitted; or
4. The claim is incomplete and/or unclear and what information is needed to make the claim complete and/or clear.

Benefits payable for any claim will be paid not more than 30 days after we receive your claim.

If we deny payment of the claim, in whole or in part, you or your Authorized Representative may then file an Appeal or Grievance, as appropriate, as described below.

The Grievance must be filed in writing within one-hundred eighty (180) calendar days from the date of receipt of the Adverse Decision notice. If the Grievance is filed after the one-hundred eighty (180) calendar days, we will send a letter denying any further review due to lack of timely filing.

If within five (5) working days after you or your Authorized Representative file a Grievance we need additional information to complete our internal Grievance process, we shall notify you or your Authorized Representative that we cannot proceed with review of the Grievance unless we receive the additional information. If assistance is needed and requested, we will assist you or your Authorized Representative in gathering the necessary additional information without further delay.

Grievance Acknowledgment

We will acknowledge receipt of a Grievance within five (5) working days of the filing date of the written Grievance notice. The filing date is the earliest of five (5) calendar days after the date of mailing (postmark) or the date of receipt.

Pre-service Grievance

If the Grievance is for a Health Care Service that the Member is requesting (that is, the Health Care Service has not been rendered), an acknowledgment letter will be sent requesting any additional information that may be necessary within five (5) working days after the filing date. We will also inform you and your Authorized Representative that a decision will be made regarding the Grievance in writing, and such written notice will be sent within thirty (30) working days of the filing date of the Grievance.

Post-service Grievance

If the Grievance is asking for payment for Health Care Services already rendered, a retrospective acknowledgment letter will be sent requesting additional information that may be necessary within five (5) working days after the filing date. We will also inform you and your Authorized Representative that a decision will be made in writing and such written notice will be made within the earliest of forty-five (45) working days or sixty (60) calendar days of the filing date of the Grievance.

For both pre-service and post-service Grievances, if there will be a delay in our concluding the Grievance in the designated period, we will send you and your Authorized Representative a letter requesting an extension. Such extension period shall not exceed more than thirty (30) working days. If you or your Authorized Representative do not agree to the extension, then the Grievance will be completed in the original designated period. Any agreement to extend the period for a Grievance decision will be documented in writing.

If the pre-service or post-service Grievance is approved, a letter will be sent to you and your Authorized Representative stating the approval. If the Grievance was filed by your Authorized Representative, then a letter stating the Grievance Decision will also be sent to you.

YOUR GROUP EVIDENCE OF COVERAGE (EOC) KAISER PERMANENTE

If the pre-service or post-service Grievance results in a denial, we will notify you and your Authorized Representative of the decision within thirty (30) working days or no later than the last day of the extension period for a pre-service Grievance or the earlier of forty-five (45) working days or sixty (60) calendar days from the date of filing or no later than the last day of the extension period for a post-service Grievance.

We will communicate our decision to you or your Authorized Representative verbally and will send a written notice of such verbal communication within five (5) working days of the verbal communication to you and your Authorized Representative.

If we fail to make a Grievance Decision within the stated timeframes herein, or an extension of such timeframe, you or your Authorized Representative may file a Complaint with the Commissioner without waiting to hear from us.

Note: In cases which a complaint against the Health Plan's Grievance Decision is filed with the Commissioner, you or your Authorized Representative must authorize the release of medical records that may be required to assist the Commissioner with reaching a decision in the Complaint.

EXPEDITED GRIEVANCES FOR EMERGENCY CASES

You or your Authorized Representative may seek an expedited review in the event of an Emergency Case as that term is defined in this section. An expedited review of an Emergency Case may be initiated by calling 1-800-777-7902.

Once expedited review is initiated, clinical review will determine if you have a medical condition which meets the definition of an Emergency Case. A request for expedited review must contain the telephone number where we may reach you or your Authorized Representative in an effort to communicate regarding our review. In the event that additional information is necessary for us to make a determination regarding the expedited review, we will notify you or your Authorized Representative by telephone to inform him/her that review of the expedited review may not proceed unless certain additional information is received. Upon request, we will assist you or your Authorized Representative in gathering such information so that a determination may be made within the prescribed timeframes.

If the clinical review determines that you do not have the requisite medical condition, the request will be managed as a non-expedited Grievance pursuant to the procedure outlined above. If we determine that an urgent medical condition does not exist, we will verbally notify you or your Authorized Representative within twenty-four (24) hours, and inform you or the Authorized Representative of the right to file a Complaint with the Commissioner.

If we determine that an Emergency Case does exist, then the expedited review request will be reviewed by a physician who is board certified or eligible in the same specialty as the treatment under review and who is not the individual (or the individual's subordinate) who made the initial decision. If additional information is needed to proceed with the review, we will contact you or your Authorized Representative by telephone or facsimile.

Within twenty-four (24) hours of the filing date of the expedited review request, we will verbally notify you or your Authorized Person of our decision. We will send written notification to you or your Authorized Representative within one (1) calendar day after the decision is verbally communicated. If approval is recommended, then we will assist you in arranging the authorized treatment or benefit. If the

YOUR GROUP EVIDENCE OF COVERAGE (EOC) KAISER PERMANENTE

expedited review results in a denial, we will notify you and your Authorized Representative within one (1) calendar day after the decision is verbally communicated.

If we fail to make a decision within the stated timeframes for an expedited review, you or your Authorized Representative may file a Complaint with the Commissioner without waiting to hear from us.

NOTICE OF ADVERSE GRIEVANCE DECISION

If our review of a Grievance, including an expedited Grievance, results in denial, we will send you and your Authorized Representative written notice of our Grievance Decision within the time frame stated above. This notification shall include:

1. The specific factual basis for the decision in clear understandable language;
2. References to any specific criteria or standards on which the decision was based, including but not limited to interpretive guidelines used by us;
3. A statement that the Member is entitled to receive upon request and free of charge, reasonable access to, and copies of, all documents, records and other information relevant to the claim. If specific criterion was relied upon, either a copy of the criterion or a statement that such criterion will be provided free of charge upon request. If the determination was based on medical necessity, experimental treatment or similar exclusion or limit, either an explanation of the scientific or clinical judgment, applying the terms of the plan to the Member's medical circumstances, or provide a statement that such explanation will be supplied free of charge upon request. In addition, you or your Authorized Representative has the right to request any diagnostic and treatment codes and their meanings that may be the subject of your or your Authorized Representative's claim;
4. The name, business address and business telephone number of the medical director who made the Grievance Decision;
5. A description of your or your Authorized Representative's right to file a complaint with the Commissioner within four (4) months after receipt of our Grievance Decision;
6. The Commissioner's address and telephone and facsimile numbers;
7. A statement that the Health Education and Advocacy Unit is available to assist you or your Authorized Representative with filing a complaint about the Health Plan with the Commissioner;
8. The Health Education and Advocacy Unit's address, telephone and facsimile numbers and electronic mail address; and
9. The Health Plan must provide notice of an adverse decision in a non-English language if certain thresholds are met for the number of people who are literate in the same non-English language. A threshold language applies to a county if at least 10 percent of the population is literate only in the same foreign language that is identified as a federally mandated non-English language. If we send you a notice of an adverse decision to an address in a county where a federally-mandated threshold language applies, then you or your Authorized Representative may request translation of that notice into the applicable threshold language. You or your Authorized Representative may request translation of the notice by contacting Member Services.

INTERNAL APPEAL PROCESS

This process applies to our Coverage Decisions and you must exhaust our internal Appeal process prior to filing a Complaint with the Commissioner, except if our Coverage Decision involves an Urgent Medical Condition for which care has not been rendered.

Initiating an Appeal

These internal appeal procedures are designed by the Health Plan to assure that concerns are fairly and properly heard and resolved. These procedures apply to a request for reconsideration of a Coverage Decision rendered by the Health Plan regarding any aspect of the Health Plan's health care Service.

The Member or the Member's Authorized Representative must file an internal appeal within one-hundred eighty (180) calendar days from the date of receipt of the Coverage Decision. The Appeal should be sent to us at the following address:

Member Services Appeals Unit
Kaiser Permanente
2101 East Jefferson Street
Rockville, MD 20852
Fax: 1-866-640-9826

In addition, the Member or the Member's Authorized Representative may request an internal appeal by contacting Member Services. The Member or the Member's Authorized Representative, as applicable, may review the Health Plan's appeal file and provide evidence and testimony to support the appeal request.

Member Service Representatives are available by telephone each day during business hours to describe how internal appeals are processed and resolved and to assist with filing an internal appeal. The Member Service Representative can be contacted Monday through Friday from 7:30 a.m. to 9 p.m. ET within the local service area at 301-468-6000 or TTY 711.

Along with your appeal, you may also send additional information including comments, documents or additional medical records which you believe supports your claim. If we had asked for additional information before and you did not provide it, you may still submit the additional information with your appeal. In addition, you may also provide testimony in writing or by telephone. Written testimony may be sent along with your appeal to the address listed above. To arrange to give testimony by telephone, you may contact the Member Services Appeal Unit. The Health Plan will add all additional information to your claim file and will revise all new information without regard to whether this information was submitted and/or considered in its initial decision.

In addition, prior to rendering its final decision, the Health Plan will provide the Member or Member's Authorized Representative, without charge, any new or additional evidence considered, relied upon, or generated by (or at the direction of) the Health Plan in connection with the Member or Member's Authorized Representative appeal. If during the Health Plan's review of the Member or Member's Authorized Representative appeal, it determines that an adverse coverage decision can be made based on a new or additional rationale, the Health Plan will provide the Member or Member's Authorized Representative with this new information prior to issuing its final coverage decision and explain how you can respond to the information if you choose to do so. The additional information will be provided to the Member or Member's Authorized Representative as soon as possible and sufficiently before the deadline

YOUR GROUP EVIDENCE OF COVERAGE (EOC) KAISER PERMANENTE

to give the Member or Member's Authorized Representative a reasonable opportunity to respond to the new information.

Health Plan will respond in writing to an Appeal within thirty (30) calendar days for a pre-service claim, or sixty (60) calendar days for a post-service claim after our receipt of the Appeal.

If our review results in a denial, we will notify you and your Authorized Representative in writing within three (3) calendar days after the Appeal Decision has been verbally communicated. This notification will include:

1. The specific factual basis for the decision in clear understandable language;
2. Reference to the specific plan provision on which determination was based. In addition, you or your Authorized Representative has the right to request any diagnostic and treatment codes and their meanings that may be the subject of your or your Authorized Representative's claim;
3. A description of you or your Authorized Representative's right to file a Complaint with the Commissioner within four (4) months after receipt of our Appeals Decision;
4. The Commissioner's address and telephone and facsimile numbers;
5. A statement that the Health Education and Advocacy Unit is available to assist you or your Authorized Representative with filing a complaint about the Health Plan with the Commissioner;
6. The Health Education and Advocacy Unit's address, telephone and facsimile numbers and electronic mail address; and
7. The Health Plan must provide notice of an appeal decision in a non-English language if certain thresholds are met for the number of people who are literate in the same non-English language. A threshold language applies to a county if at least 10 percent of the population is literate only in the same foreign language that is identified as a federally mandated non-English language. If we send you a notice of an appeal decision to an address in a county where a federally-mandated threshold language applies, then you or your Authorized Representative may request translation of that notice into the applicable threshold language. You or your Authorized Representative may request translation of the notice by contacting Member Services.

SECTION 6: TERMINATION OF MEMBERSHIP

This section describes how your membership may end and explains how you will be able to maintain Health Plan coverage without a break in coverage if your membership under this EOC ends.

If a Subscriber's membership ends, the Subscriber's Dependents' membership ends at the same time.

If your membership terminates, all rights to benefits end at 11:59 p.m. ET (the time at the location of the administrative office of Health Plan at 2101 East Jefferson Street, Rockville, MD 20852) on the termination date. You will be billed the applicable fee for any Services you receive after your membership terminates. Health Plan and Plan Providers have no further responsibility under this EOC after your membership terminates, except as provided under "Extension of Benefits" in this section.

TERMINATION DUE TO LOSS OF ELIGIBILITY

Your membership will terminate if you no longer meet the conditions under which you became eligible to be enrolled, as described under "Who is Eligible" in Section 1.

If you are eligible on the 1st day of a month, but later in that month you no longer meet those eligibility requirements, your membership terminates on the last day of that month unless your Group has an arrangement with us to terminate at a time other than the last day of the month. Please check with the Group's benefits administrator to confirm your termination date.

If the Subscriber no longer lives or works within the Health Plan's Service Area, we may terminate the membership of the Subscriber and all Dependents in his or her Family Unit by sending notice of termination at least thirty (30) days prior to the termination date.

TERMINATION OF GROUP AGREEMENT

If the Group's Agreement with us terminates for any reason, your membership ends on the same date.

The Subscriber's Group is required to inform the Subscriber of the date your coverage terminates.

TERMINATION FOR CAUSE

We may terminate the memberships of the Subscriber and all Dependents in his or her Family Unit, by sending written notice to the Subscriber at least thirty (30) days before the termination date, if the Subscriber knowingly enrolls non-eligible persons as dependents, or intentionally fails to notify us that a Dependent is no longer eligible.

By sending written notice to the Subscriber at least thirty (30) days before the termination date, we may terminate you or your Dependent's membership for cause if:

1. You or your Dependent(s) knowingly perform an act, practice or omission that constitutes fraud, which under certain circumstances may include, but is not limited to, presenting a fraudulent prescription or physician order, selling your prescription or allowing someone else to obtain Services using your membership ID card; or
2. You or your Dependent(s) make an intentional misrepresentation of material fact.

If the fraud or intentional misrepresentation was committed by the Subscriber, we may terminate the memberships of the Subscriber and all Dependents in the Family Unit.

YOUR GROUP EVIDENCE OF COVERAGE (EOC) KAISER PERMANENTE

If the fraud or intentional misrepresentation was committed by a Dependent, we may terminate the membership of only that Dependent.

We may report any Member fraud to the authorities for prosecution.

TERMINATION FOR NONPAYMENT

Nonpayment of Premium

You are entitled to coverage only for the period for which we have received the appropriate Premium from your Group. If your Group fails to pay us the appropriate Premium for your Family Unit, we will terminate the memberships of everyone in your Family Unit.

EXTENSION OF BENEFITS

In those instances when your coverage with us has terminated, we will extend benefits for covered Services, without Premium, in the following instances:

1. If you are Totally Disabled at the time your coverage ends, we will continue to provide benefits for covered Services related to the condition causing the disability. Coverage will stop at the point you no longer qualify as being Totally Disabled, or up to twelve (12) months from the date your coverage ends, whichever comes first.
2. If you have ordered eyeglasses or contact lenses before the date your coverage ends, we will provide benefits for covered eyeglasses or contact lenses received within thirty (30) days following the date you placed the order.
3. If you are in the midst of a course of covered dental treatment at the time your coverage ends, we will continue to provide benefits, in accordance with the EOC in effect at the time your coverage ended, for a period of ninety (90) days following the date your coverage ended.
4. If you are in the midst of a course of covered orthodontic treatment at the time your coverage ends, we will continue to provide benefits, in accordance with the EOC in effect at the time your coverage ended, for a period of:
 - a. Sixty (60) days following the date your coverage ended if the orthodontist has agreed to or is receiving monthly payments; or
 - b. Until the latter of sixty (60) days following the date your coverage ended, or the end of the quarter in progress, if the orthodontist has agreed to accept or is receiving payments on a quarterly basis.

To assist us, if you believe you qualify under this “Extension of Benefits” provision, we encourage you to notify us in writing.

Limitations

The “Extension of Benefits” section listed above does not apply to the following:

1. Failure to pay Premium by the Member;
2. Members’ whose coverage ends because of fraud or material misrepresentation by the Member;

Summary of Services and Cost Shares

This summary does not describe benefits. For the description of a benefit, including any limitations or exclusions, please refer to the identical heading in the “Benefits” section (also refer to the “Exclusions, Limitations and Reductions” section, which applies to all benefits). **Note:** Additional benefits may also be covered under Riders attached to this EOC, and which follow this Summary of Services and Cost Shares.

DEPENDENT AGE LIMIT

Eligible Dependent children are covered from birth to age 26, as defined by your Group and approved by Health Plan.

MEMBER COST-SHARE

Your Cost Share is the amount of the Allowable Charge for a covered Service that you must pay through Deductibles, Copayments and Coinsurance. The Cost Share, if any, is listed for each Service in this “Summary of Services and Cost Shares.” Allowable Charge is defined in the Definitions Appendix of this EOC.

In addition to the monthly premium, you may be required to pay a Cost Share for some Services. You are responsible for payment of all Cost Shares. Copayments are due at the time you receive a Service. You will be billed for any Deductible and Coinsurance you owe. Failure to pay your Cost Shares may result in termination of your Membership (refer to Section 6: Termination for Nonpayment).

DEDUCTIBLE

The Deductible is the amount of Allowable Charges you must incur during a contract year for certain covered Services before Health Plan will begin paying benefits for those Services. The Deductible applies to all covered Services except Preventive Health Care Services as described in Section 3, Benefits, and outpatient Prescription Drugs. Preventive Health Care Services may be subject to a Copayment as shown below.

For covered Services that are subject to a Deductible, you must pay the Allowable Charges for the Services when you receive them, until you meet your Deductible. The only amounts that count toward your Deductible are the Allowable Charges you incur for Services that are subject to the Deductible, but only if the Service would otherwise be covered. After you meet the Deductible, you pay the applicable Coinsurance for these Services for the rest of the contract year.

Self-Only Coverage Deductible. If you are covered as a Subscriber, and you do not have any Dependents covered under the plan, you must meet the Self-Only Deductible shown below.

Family Coverage Deductible. If you have one or more Dependents covered under this EOC, then either one covered Family Member must meet the Individual Deductible, or the entire family must meet the Family Deductible. Each Individual Deductible amount counts toward the Family Deductible amount, but no one family Member’s medical expenses may contribute more than the Individual Deductible shown below. After an Individual Member of the Family Unit has met the Individual Deductible, his or her Deductible will be met for the rest of the contract year. Other family Members will continue to pay full charges for Services that are subject to the Deductible until the Family Deductible is met. After two or more covered Members of your Family Unit combined have met the Family Deductible, the Deductible will be met for all Members of the Family Unit for the rest of the contract year.

Keep Your Receipts. When you pay an amount toward your Deductible, we will give you a receipt. Keep your receipts. If you have an HSA account, you may need to prove to the IRS that distributions from your HSA were for qualified medical expenses. Also, if you have met your Deductible, and we have not received and processed all of your claims, you can use your receipts to prove that you have met your Deductible. You can also obtain a statement of the amounts that have been applied toward your Deductible from our Member Services Department.

Out-of-Pocket Maximum

The Out-of-Pocket Maximum is the limit to the total amount of Deductible, Copayments and Coinsurance you must pay in a contract year. Once you or your Family Unit have met your Out-of-Pocket Maximum, you will not be required to pay any additional Cost Shares for most Services that are subject to the Out-of-Pocket Maximum for the rest of the contract year.

Self-Only Coverage Out-of-Pocket Maximum. If you are covered as a Subscriber, and you do not have any Dependents covered under the plan, your medical expenses apply toward the Self-Only Out-of-Pocket Maximum shown below.

Family Out-of-Pocket Maximum. If you have one or more Dependents covered under this EOC, the covered medical expenses incurred by all Members of the Family Unit together apply toward the Family Out-of-Pocket Maximum shown below; however no one family Member's medical expenses may contribute more than the Individual Out-of-Pocket Maximum shown below. After one member of a Family Unit has met the Individual Out-of-Pocket Maximum, his or her Out-of-Pocket Maximum will be met for the rest of the contract year. Other family Members will continue to pay applicable Cost Shares until the Family Out-of-Pocket Maximum is met. After all Members of the Family Unit combined have met the Family Out-of-Pocket Maximum, the Out-of-Pocket Maximum will be met for all Members of the Family Unit for the rest of the contract year.

The following Services do not apply toward your Out-of-Pocket Maximum:

- Adult eyeglass lenses and frames, contact lenses that are available with a discount only
- Adult dental Services, if included by Rider attached to this plan

If a Member requests a Brand Name Drug for which none of the above conditions has been met, the Member will be responsible for the full Allowable Charge for that Brand Name Drug.
